THE INDIAN LISTENER - All India Radio
(AIR),New Delhi 1947-11-22

The Indian Listener (fortnightly programme
journal of AIR in English) published by The
Indian State Broadcasting Service,Bombay
,started on 22 December, 1935 and was the
successor to the Indian Radio Times in english,
which was published beginning in July 16 of
1927. From 22 August ,1937 onwards, it was
published by All India Radio,New Delhi.In
1950,it was turned into a weekly journal.
Later,The Indian listener became "Akashvani" in

January 5, 1958. It was made a fortnightly again
on July 1,1983. It used to serve the listener as a
bradshaw of broadcasting ,and give listener the
useful information in an interesting manner
about programmes,who writes them,take part in
them and produce them along with photographs
of performing artists. It also contains the
information of major changes in the policy and
ofservice of the organisation. NAME OF THE

Di agnostic, anénagement et gestion des rivi ères
(2e éd.) DEGOUTTE Gérard 2012-11-20
Ce manuel pratique aide à comprendre les
grands principes régissant la morphologie des
cours d'eau et leur dynamique pour mieux
concevoir des aménagements qui sauront
résister aux crues sans déséquilibrer pour
autant les écosystèmes. Le chapitre 1 donne les
définitions, principes de base et résultats
d'hydraulique à surface libre. Les chapitres 2 à 4
approfondissent le diagnostic des rivi ères en

tenant compte du transport solide et de la constante interaction entre l'écoulement, le fond, les berges et le champ d'inondation. Les chapitres 5 à 9 exposent les différents aménagements et entretiens pour utiliser l'eau ou se protéger des crues. Cette 2e édition, entièrement réactualisée et augmentée de nombreux schémas et photos, aborde de nouveaux points : les calculs hydrauliques des déversoirs latéraux, des estimations de débit solide adaptées aux fortes pentes, la morphologie des torrents et les conséquences morphologiques des barrages, la restauration morphologique des rivières, les processus d'érosion par surverse, la conception des zones d'expansion de crues, des procédés de protection de berge ou de traitement des digues, la nouvelle norme sur les enrochements, etc... Diagnostic, aménagement et gestion des rivières s'adresse aux professionnels en charge de la gestion et de l'aménagement des cours d'eau ou de la police de l'eau : cabinets d'ingénierie, collectivités territoriales, établissements publics, sociétés d'aménagement régional et services déconcentrés et centraux de l'État. Il sera une aide précieuse pour les étudiants en écoles d'ingénieur ou en université et intéressera les chercheurs en mécanique des fluides, géomorphologie ou écologie fluviale.

Rendezvous - Benilda Nya Guerrero-Ortega 2011-12-12

HOW CAN YOU CREATE MORE PLEASURE & SUCCESS IN YOUR COMMITTED RELATIONSHIP?Live the Romantic Lifestyle!
This book is written in two versions: "his" & "hers." In it there are seven sections that interact with each other, giving couples the tools to create the habits that lead to a more fulfilled and successful relationship. It will become your journal and rendezvous reference, you'll want to carry it with you every day. It is recommended

that each partner have their own version so that they can be inspired together and encouraged simultaneously, to "live the romantic lifestyle!"
Get Rid of: • Lack of Non-Sexual Romance • Boredom/Monotony • Lack of Communication
Create more: • Pleasure • Excitement • Harmony

This War Called Love - Alejandro Murguía 2021-10-15

From Mexico City to San Francisco's Mission District, nothing comes easy—in life or in love. Here is an unstereotypical view of a world as treacherous as it is tender, as hilarious as it is heartbreaking. Authentic and honest, these nine stories focus on today's Latino men, their strength and vulnerability, their fears and deepest desires. "Danger, cruelty, lust, loss, blood, death and dance. . . . Couldn't put the book down. So hot I had to smother it in half and half. Murguía's a master of hearts on fire, working his storytelling anvil late at night, in a wrecked cubicle of SF called La Mission. No doubt the hungriest fiction and the most ferocious collection in the last three decades."—Juan Felipe Herrera, author of *Border Crosser with a Lamborghini Dream*
"Alejandro Murguía has returned the short story to the people. Though some of his characters are down on their luck, the author has hit the literary jackpot with this one. He's been revered as an artist for decades among the multicultural cognoscenti, and the publication of this fabulous volume will confirm for many readers what we knew all along."—Ishmael Reed, author of *The Reed Reader*
"This is a book of rare intensity and transcultural joy!"—José David Saldívar, author of *Border Matters: Remapping American Cultural Studies*
"The nine tales of life in Mexico City and the Mission District depicted . . . crackle with energy without losing sight of their narratives. . . . [Murguía's] Mission district is not a hipster haven but a melting pot for Latinos from all over the Americas, and his Mexico City is a thriving cultural whirlwind."—San Francisco Chronicle Book Review
"Alejandro Murguía begins *This War Called Love: Nine Stories*, his second collection, with an unforgettable portrait of Mexico City in the summer of 1956. Murguía's prose has the captivating quality that can only flow from a narrator who is himself captivated by his passions. A born storyteller, Murguía

sustains flawlessly believable first-person narratives, which gives his prose much of its warmth and nuance."—The San Francisco Bay Guardian "Equal parts funny and sad, Murguía's short stories depict, with tender and sometimes unflinching detail, love, life, and growing up Hispanic. . . . Although the best of the collection are on the darker side, Murguía also shines in the more lighthearted stories . . . Free of stereotypes and always honest, this collection presents Latino Chicano life at full throttle."—Booklist "Authentic and honest, these stories focus on today's Latin men, their strength and vulnerability, their fears and deepest desires."—Latin Style Alejandro Murguía was born in California, but raised in Mexico City. His experiences as an international volunteer in the Nicaraguan Insurrection of 1979 are recounted in his second collection of short stories Southern Front (American Book Award, 1991). He lives in San Francisco, where he teaches Latin American literature at San Francisco State University.

U.S.S. Hoquiam PF-5 - Mark Douglas 2007-02-26

This is the second book of four in the USS HOQUIAM PF-5 series: RESURRECTION, ROAD TO HUNGNAM, HOCKY MARU, and KNOCK OFF SHIP'S WORK. It is the continuing story of the USS HOQUIAM PF-5 as seen through the eyes of a young sailor, Lee Harrison Stewart. ROAD TO HUNGNAM continues the story started in RESURRECTED. As the story opens, the Hoquiam is in the midst of shakedown and training. Abruptly, she is ordered to Wonsan, North Korea, to participate in the Fifth Marines Amphibious Landing. The Commanding Officer is told his ship will carry out any additional tasks for two weeks as may be ordered by Commander, Task Force 90. Anchored in Wonsan Harbor, the Captain, Lieutenant Commander Maxwell J. Brown, receives new orders to report to Commander, Task Force 96, for an indeterminate length of time. The crew is not prepared for the very cold weather that drops out of Siberia within days, as the Hoquiam acts as Harbor Entrance Control Vessel for troop and supply landings at Iwon, Songjin, Hungnam, and Chongjin, North Korea. Shortly after completing those missions, she returns to Hungnam and acts as Harbor Entrance Control Vessel once again. Meanwhile, Lee Stewart receives a letter from Betty Echols, a former girl friend, who believes he is still at Naval Station Tongue Point. She writes a sad tale of woe. At

her high school graduation party, her date, Ralph Rogers, got her drunk, had his way, and now she was pregnant. Ralph immediately joined the Air Force and left town. She begs Lee to marry her and father this child. A letter from the D.A. in Astoria, Oregon, arrives a short time later, charging Lee Stewart with felony copulation with a minor, Betty Echols, whom he had dated, impregnating her, and serving her intoxicants. Lt. Marston steals both letters and places them in Stewart Personnel Jacket for safekeeping until they return to Yokosuka. The Hoquiam moors in front of ComFltActs Hungnam as their communications guard while they prepare to evacuate Hungnam. The ship takes on marines and children, and moves out to act as swept mine channel point at the Sea Buoy, Buoy #1. As such, the Hoquiam is literally the last vessel to depart the Hungnam area, right behind the Underwater Demolition Team support ship. The Hoquiam anchors in Pusan long enough to disembark the marines and Korean children, then sails home to Yokosuka, arriving December 31st, seventy-three days after she was ordered to Wonsan for two weeks. Lee learns his Japanese girl friend, Kiki Hatsumoto, had to leave Yokosuka.

Beantown Cubans - Johnny Diaz 2009-07-28
From the acclaimed author of Miami Manhunt and Boston Boys Club, comes a witty, new, warmhearted novel of friendship, familia, and finding a place to call home--even in a city where it's almost impossible to get an authentic Cuban sandwich. . . Carlos Martin is twenty-seven years old and ready for a change. Cuban-born and Miami-raised, the cute but slightly awkward high school teacher figures that Boston is about as far from the crazy South Beach social scene as he could get--and a way to escape the bittersweet reminders of his recently departed mother. Life in "Beantown" is quite a culture shock--until Carlos meets Tommy Perez, another Miami transplant who quickly shows him the ropes. Now, in the course of one wildly unpredictable year, Carlos is going to learn to embrace his newfound independence, as well as his individuality. . . Praise for Johnny Diaz and Miami Manhunt "The excellent Johnny Diaz has produced another hilarious arresting novel about that most impossible of all quests: finding love, true love, in Miami." --Juno Diaz, New York Times bestselling author of The Brief Wondrous Life of Oscar Wao

Affine, Vertex and W-algebras - Dražen Adamović 2019-11-28

This book focuses on recent developments in the theory of vertex algebras, with particular emphasis on affine vertex algebras, affine W-algebras, and W-algebras appearing in physical theories such as logarithmic conformal field theory. It is widely accepted in the mathematical community that the best way to study the representation theory of affine Kac-Moody

algebras is by investigating the representation theory of the associated affine vertex and W-algebras. In this volume, this general idea can be seen at work from several points of view. Most relevant state of the art topics are covered, including fusion, relationships with finite dimensional Lie theory, permutation orbifolds, higher Zhu algebras, connections with combinatorics, and mathematical physics. The volume is based on the INdAM Workshop Affine, Vertex and W-algebras, held in Rome from 11 to 15 December 2017. It will be of interest to all researchers in the field.
