**Can't Get Enough** - Harley Wylde 2018-12-18

JACE When Sinful Seduction made it big, my life changed, and not always in awesome ways. The groupies were great at first, until one decided to fake a pregnancy and claim the kid was mine. My bandmates had my back, and while the woman backed down fast when I demanded a paternity test, it still shook me. I knew it was time for another change, one where I kept my pants zipped. And then I saw her across the bar... the goddess with golden waves, and her sexy little librarian outfit. I knew she was different, and I wanted to make her mine. Should have known better than to get drunk in Vegas. You know how they say what happens in Vegas stays in Vegas? Bullshit. Total and complete bullshit. But maybe this time my mistake will turn out to be the best thing that ever happened to me. HONEY I dumped my cheating fiancée, hopped a plane to Vegas, and hit the latest writer's convention. On what should have been my wedding day, I was throwing back drinks like they were fruit punch. To be fair, they probably had fruit punch in them. When I woke up the next morning with a hard body pressed to mine, and a silver band on a very important finger, I thought I'd screwed up more than ever before. Imagine my surprise when the wannabe rocker I married turned out to

be even more famous than me --- and wait for it --- he wanted to stay married! Even with a battered heart, I still believed in happily-ever-after, but what could a rock star and a romance author have in common? Chemistry... Intense, curl your toes, melt your panties chemistry. Relationships have been based on worse, right? \*WARNING: If you don't like foul-mouthed bad boys, lots of hot sex, and an accidental marriage, then you should probably skip this book.

Managed - Kristen Callihan 2016-11-14

It started off as a battle of wits. Me: the ordinary girl with a big mouth against Him: the sexy bastard with a big...ego. I thought I'd hit the jackpot when I was upgraded to first class on my flight to London. That is until HE sat next to me. Gabriel Scott: handsome as sin, cold as ice.

Nothing and no one gets to him. Ever. He's a legend in his own right, the manager of the biggest rock band in the world, and an arrogant ass who looks down his nose at me. I thought I'd give him hell for one, long flight. I didn't expect to like him. I didn't expect to want him. But the biggest surprise? He wants me too. Only in a way I didn't see coming. If I accept his proposal, I leave myself open to falling for the one man I can't manage. But I'm tempted to say yes. Because the real man beneath those perfect suits and that cool façade just might be the best thing that's ever happened to me. And I just might be the only one who can melt the ice around his heart. Let the battle begin...

Once Upon a Rock Star - Rita Rae Roxx 2017-05-16

A sex-and-tell story about the crazy lifestyle of sex, drugs, and rock and roll. A decade of rock history...and a decade of rock fan adoration for one little chiquita from Omaha who spent star-studded nights with superstars of eighties rockdom: David Lee Roth with Van Halen, Billy Squier, Ozzy Osbourne's Jake E. Lee, Paul Stanley of Kiss, Motley Crue's Nikki Sixx, Bret Michaels and Poison, Vivian Campbell and Def Leppard, the J. Geils Band's Peter Wolf, Aerosmith's Steven Tyler--and plenty more. Rockin' Rita and her sexy entourage were ultra-fans who rocked the boys in the bands backstage and between the covers when the heavy metal rockers and the glam "chicks with dicks" rolled into town in their tour buses. With her own outrageously high hair and edgy original clothing designs, Rita never missed an opportunity to get the coveted backstage passes that led to dressing room parties and hotel hook-ups. This is a sex-and-tell story about her obsession for sex and drugs with rock stars. Rita reveals her flirtatious romps and hard rock tales with the bad boys of 80s heavy metal in her legend-filled story... Once Upon a Rock Star Drive - Kate Stewart 2017-10-13

Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me. Rock My Night: A Bad Boy Rock Star Romance - Peter Presley 2018-11-18

Can Apollo ever make amends for his bad behavior and share a happily-ever-after with Dorothy?

Nöt hi n' But a Good Time Tom Beaujour 2021-03-16

The New York Times Bestseller The Explosive National Bestseller "A backstage pass to the wildest and loudest party in rock history—you'll feel like you were right there with us!" —Bret Michaels of Poison Nothin' But a Good Time is the definitive, no-holds-barred oral history of 1980s hard rock and hair metal, told by the musicians and industry insiders who lived it. Hard rock in the 1980s was a hedonistic and often intensely creative wellspring of escapism that perfectly encapsulated—and maybe even helped to define—a spectacularly over-the-top decade. Indeed, fist-

pumping hits like Twisted Sister's "We're Not Gonna Take It," Mötley Crüe's "Girls, Girls, Girls," and Guns N' Roses' "Welcome to the Jungle" are as inextricably linked to the era as Reaganomics, PAC-MAN, and E.T. From the do-or-die early days of self-financed recordings and D.I.Y. concert productions that were as flashy as they were foolhardy, to the multi-Platinum, MTV-powered glory years of stadium-shaking anthems and chart-topping power ballads, to the ultimate crash when grunge bands like Nirvana forever altered the entire climate of the business, Tom Beaujour and Richard Bienstock's *Nothin' But a Good Time* captures the energy and excess of the hair metal years in the words of the musicians, managers, producers, engineers, label executives, publicists, stylists, costume designers, photographers, journalists, magazine publishers, video directors, club bookers, roadies, groupies, and hangers-on who lived it. Featuring an impassioned foreword by Slipknot and Stone Sour vocalist and avowed glam metal fanatic Corey Taylor, and drawn from over two hundred author interviews with members of Van Halen, Mötley Crüe, Poison, Guns N' Roses, Skid Row, Bon Jovi, Ratt, Twisted Sister, Winger, Warrant, Cinderella, Quiet Riot and others, as well as Ozzy Osbourne, Lita Ford, and many more, this is the ultimate, uncensored, and often unhinged, chronicle of a time where excess and success walked hand in hand, told by the men and women who created a sound and style that came to define a musical era—one in which the bands and their fans went looking for nothin' but a good time...and found it.

*We've Got Tonight* Alycen Rowse 2018-04-17

Told from behind rock and roll's most notorious blue eyes, *We've Got Tonight* is the true story from one of rock's most notorious and sought after groupies. Most notable as the woman who was with legendary Who bassist, John Entwistle, when he died, Alycen Rowse has spent over three decades backstage seducing some of the world's most desirable rockers. From the bed of David Lee Roth in 1984, to the wildest years with rock gods Metallica, to the side of the stage during the infamous AC/DC death concert, all the way through to the new millennium and into that infamous Las Vegas bed, Alycen will tell it like it is and take you back to where it all really started...Salt Lake City. Lars Ulrich of Metallica labeled the Mormon capital where Alycen and her cronies ruled the rock world "wilder than a town full of rebellious preachers daughters", while Chris Holmes of WASP fame declared it in the 80's flick "Decline of Western Civilization Part 2" (as so many other rockers have) "the best groupie scene in the world". But Alycen didn't just stop in Salt Lake City and neither do her adventures behind the stage. With more new, never before talked about rock lovers than all other groupie books combined, *We've Got Tonight* will take you on an unrepentant, no excuses journey of debauchery with the likes of Metallica, Motley Crue, Kiss, Def Leppard, The Scorpions and so many more until she lands in John Entwistle's infamous bed. Fresh stories and a new attitude take this book into a different groupie world and tattles on what really happened during some of rock and roll's most notoriously historical moments. Never before has there been told such a big adventure backstage, and *We've*

*Got Tonight* is only half the story.

**Her Rockstar Billionaire** - Jessa James 2019-02-26

Kit Buchanan Ten years ago, I let her go. She loved me when I was nothing. I have platinum albums, money, fame. I have everything I want...everything but her. Crystal Kerry I was shy. Eighteen. And so in love I was ready to give up everything. Only he wouldn't let me. He broke my heart. Pushed me away. Now he's back. He's a rock star, a bad boy, a total egomaniac, a tattoo covered rock god with naked women begging for his attention. Everybody wants a piece of him. Everyone but me. Been there, done that. My heart shattered into a million pieces when he left and I never really put myself back together. I'm broken on the inside. I loved him. Trusted him. And he ruined me. Only a complete idiot would let him get close. But when he touches me, I melt. My heart races. I crave him. Guess I'm not that smart after all... Kit Buchanan She was a siren. Used to be shy and so sweet I wanted to drown in her innocence, in the way she looked at me. Crystal rocked my world, rocked me. But she was going to ruin her life for a loser, a wanna-be rock star with no money and no prospects. I hurt her. I had to. But none of that matters now. I want her back. I need her. I need to look into those baby-blue eyes and hear her soft cries of surrender. I remember what it felt like to hold her. To love her. To know she was mine. She's still mine. She just doesn't know it yet.

**F\*\*k The Radio, We've Got Apple Juice** - Miranda Ward 2013-03-05

What happens when getting played on Radio 1 isn't the goal anymore? What if music is really just about music? A few years ago, Little Fish were signed to a major label and recorded an album in LA. They've toured with some big names (last year Debbie Harry saw them supporting Courtney Love and asked them to join Blondie for a UK tour, for instance) and played all over the world. But earlier this year, they did the opposite of what the traditional rock n' roll myth says you should do: they came home again. They left their label, set up a recording studio in an Oxford bungalow, and started doing the things that made them happy, instead of the things they thought they should do to get played on Radio 1. They sent hand-letter-pressed cards to their fans, held raffles in the middle of their gigs, and played acoustic sets at local open mic nights. Independence has raised a lot of questions for Little Fish. Why do we make music? What do people want from bands? How do you create a community? How can we make a living? What is a living? Joined by friend and writer Miranda Ward, who quit her job to follow them on their adventure, they plan to explore these questions, even if they never find answers, and to tell the stories about being in a band that you don't get to hear in NME. F\*\*k the Radio is a book about Little Fish, but it's also a book about making it work, making your own way, and making stuff - music, comics, t-shirts, fishy paper squares, stickers, badges, vinyl, stop-motion animations, even books. And fresh apple juice. It's about declaring your independence and rewriting the myths you live by.
