Essentials of Economics - Paul Krugman 2010-10

Check out preview content for Essentials of Economics here. Essentials of Economics brings the same captivating writing and innovative features of Krugman/Wells to the one-term economics course. Adapted by Kathryn Graddy, it is the ideal text for teaching basic economic principles, with enough real-world applications to help students see the applicability, but not so much detail as to overwhelm them. Watch a video interview of Paul Krugman here.

Declinación y Ángel - Antonio Di Benedetto 2006

I Will Survive - Gloria Gaynor 2014-03-11

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Did Adam and Eve Have Navel s?: Debunking Pseudoscience - Martin Gardner 2001-10-17

A master debunker of scientific fraud and psuedo-science takes on numerology, Freud's dream theory, reflexology, and the Heaven's Gate cult, among other assaults on reason and rational thought. Reprint.

Dentists - Mary Meinking 2020-08

Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

Sex Love Repeat- Alessandra Torre 2013-11-18

Madison. Paul. Stewart. They have accepted the situation. Stewart, because his life is too busy for the sort of obligations that are required in a relationship. Paul, because he loves Madison too much to tell her no. And because her sexual appetite is such that one man has trouble keeping up. So they exist, parallel relationships, each running their own course, with no need for intersection or conflict. Dana sat in the background and waited, saw the relationships, the love, and the moment that it all fell apart. She loves them. Everything else hangs in the balance.

Say My Name - J. Kenner 2015-04-07

New York Times bestselling author J. Kenner kicks off a smoking hot, emotionally compelling trilogy that returns to the world of her beloved Stark novels: Release Me, Claim Me, and Complete Me. Say My Name features Jackson Steele, a strong-willed man who goes after what he wants, and Sylvia Brooks, a disciplined

woman who's hard to get—and exactly who Jackson needs. I never let anyone get too close—but he's the only man who's ever made me feel alive. Meeting Jackson Steele was a shock to my senses. Confident and commanding, he could take charge of any room . . . or any woman. And Jackson wanted me. The mere sight of him took my breath away, and his touch made me break all my rules. Our bond was immediate, our passion untamed. I wanted to surrender completely to his kiss, but I couldn't risk his knowing the truth about my past. Yet Jackson carried secrets too, and in our desire we found our escape, pushing our boundaries as far as they could go. Learning to trust is never easy. In my mind, I knew I should run. But in my heart, I never felt a fire this strong—and it could either save me or scorch me forever. Praise for Say My Name "Readers who need more of Kenner's racy, sizzling Stark novels will delight in this new series, set in the same decadent, lavish world. . . . Kenner has crafted a hero whose compassion is remarkable, and who is strong enough not only to apologize and to change, but to offer her the kind of love she wants and needs, as well. . . . Fans of dark, intense and emotionally scorching romances will surely adore this series opener."—RT Book Reviews "It's a heady mix of love and intrigue, and Kenner continues to deliver a knockout experience that made me long for the next book even as I was more than satisfied with this story's ending. To say more would give too much away, and I encourage everyone who loved the original Stark trilogy to read Say My Name to find out what's there for themselves."—The Romance Evangelist "J. Kenner has given us one hell of a story with this start to the Stark International series. And if anyone can give Damien Stark a run for his money, it's Jackson Steele."—Cocktails and Books "If you enjoyed the Stark novels, you are going to love Say My Name!"—Reading Keeps Me Sane

His to Take - Shayla Black 2015-03-03

New York Times bestselling author Shayla Black invites readers to explore the desires of her Wicked Lovers... Racing against time, NSA agent Joaquin Muñoz is searching for a little girl who vanished twenty years ago with a dangerous secret. Since Bailey Benson fits the profile, Joaquin abducts the beauty and whisks her to the safety of Club Dominion—before anyone can silence her for good. At first, Bailey is terrified, but when her kidnapper demands information about her past, she's stunned. Are her horrific visions actually distant memories that imperil all she holds dear? Confined with Joaquin in a place that echoes with moans and breathes passion, he proves himself a fierce protector as well as a sensual Master who's slowly crawling deeper into her head...and her heart. But giving in to him might be the most delicious danger of all. Because Bailey soon learns that her past isn't the only mystery. Joaquin has a secret of his own—a burning vengeance in his soul. The exposed truth leaves her vulnerable and wondering how much about the man she loves is a lie, how much more is at risk than her heart. And if she can trust him to protect her long enough to learn the truth.

The Bitcoin Standard - Saifedean Ammous 2018-03-23

When a pseudonymous programmer introduced "a new electronic cash system that's fully peer-to-peer, with no trusted third party" to a small online mailing list in 2008, very few paid attention. Ten years later, and against all odds, this upstart autonomous decentralized software offers an unstoppable and globally-accessible hard money alternative to modern central banks. The Bitcoin Standard analyzes the historical context to the rise of Bitcoin, the economic properties that have allowed it to grow quickly, and its likely economic, political, and social implications. While Bitcoin is a new invention of the digital age, the problem it purports to solve is as old as human society itself: transferring value across time and space. Ammous

takes the reader on an engaging journey through the history of technologies performing the functions of money, from primitive systems of trading limestones and seashells, to metals, coins, the gold standard, and modern government debt. Exploring what gave these technologies their monetary role, and how most lost it, provides the reader with a good idea of what makes for sound money, and sets the stage for an economic discussion of its consequences for individual and societal future-orientation, capital accumulation, trade, peace, culture, and art. Compellingly, Ammous shows that it is no coincidence that the loftiest achievements of humanity have come in societies enjoying the benefits of sound monetary regimes, nor is it coincidental that monetary collapse has usually accompanied civilizational collapse. With this background in place, the book moves on to explain the operation of Bitcoin in a functional and intuitive way. Bitcoin is a decentralized, distributed piece of software that converts electricity and processing power into indisputably accurate records, thus allowing its users to utilize the Internet to perform the traditional functions of money without having to rely on, or trust, any authorities or infrastructure in the physical world. Bitcoin is thus best understood as the first successfully implemented form of digital cash and digital hard money. With an automated and perfectly predictable monetary policy, and the ability to perform final settlement of large sums across the world in a matter of minutes, Bitcoin's real competitive edge might just be as a store of value and network for final settlement of large payments—a digital form of gold with a built-in settlement infrastructure. Ammous' firm grasp of the technological possibilities as well as the historical realities of monetary evolution provides for a fascinating exploration of the ramifications of voluntary free market money. As it challenges the most sacred of government monopolies, Bitcoin shifts the pendulum of sovereignty away from governments in favor of individuals, offering us the tantalizing possibility of a world where money is fully extricated from politics and unrestrained by borders. The final chapter of the book explores some of the most common questions surrounding Bitcoin: Is Bitcoin mining a waste of energy? Is Bitcoin for criminals? Who controls Bitcoin, and can they change it if they please? How can Bitcoin be killed? And what to make of all the thousands of Bitcoin knock-offs, and the many supposed applications of Bitcoin's 'blockchain technology'? The Bitcoin Standard is the essential resource for a clear understanding of the rise of the Internet's decentralized, apolitical, free-market alternative to national central banks.

Conflict Management- Barbara A. Budjac Corvette Ph.D. 2013-10-03

Appropriate Courses: Conflict Management and Negotiation. Becoming an effective negotiator is a universal skill that can benefit all. Unlike other books, Conflict Management explores how to develop this universal skill, using a very individual, personalised approach. Grounded in theory and research, it examines the psychological and sociological factors inherent in the negotiation process. It explores the complexities of negotiations, by looking at how conflict is related and how temperaments and personality traits impact the process. Filled with exercises, self-assessment tools, examples, and cases, the book links theory to practice and gives readers an opportunity to develop, practice, and perfect their own unique set of negotiation skills. The Demon-Haunted World - Carl Sagan 1997-02-25

A prescient warning of a future we now inhabit, where fake news stories and Internet conspiracy theories play to a disaffected American populace "A glorious book . . . A spirited defense of science . . . From the first page to the last, this book is a manifesto for clear thought."—Los Angeles Times How can we make intelligent decisions about our increasingly technology-driven lives if we don't understand the difference between the myths of pseudoscience and the testable hypotheses of science? Pulitzer Prize-winning author and distinguished astronomer Carl Sagan argues that scientific thinking is critical not only to the pursuit of truth but to the very well-being of our democratic institutions. Casting a wide net through history and culture, Sagan examines and authoritatively debunks such celebrated fallacies of the past as witchcraft, faith healing, demons, and UFOs. And yet, disturbingly, in today's so-called information age, pseudoscience is burgeoning with stories of alien abduction, channeling past lives, and communal hallucinations

commanding growing attention and respect. As Sagan demonstrates with lucid eloquence, the siren song of unreason is not just a cultural wrong turn but a dangerous plunge into darkness that threatens our most basic freedoms. Praise for *The Demon-Haunted World* "Powerful . . . A stirring defense of informed rationality. . . Rich in surprising information and beautiful writing."—The Washington Post Book World "Compelling."—USA Today "A clear vision of what good science means and why it makes a difference. . . A testimonial to the power of science and a warning of the dangers of unrestrained credulity."—The Sciences "Passionate."—San Francisco Examiner-Chronicle

Feminism, Writing and the Media in Spain - Mazal Oaknín 2019

The question of "women's writing": a 'double-edged' double-bind? -- The reception and marketing of women writers in Spain -- Writers, the literary market and the construction of the public personae of Matute, Montero, and Etxebarria -- Matute, Montero, and Etxebarria on "women's writing" -- The 'spectral mother'

The Scotch King - Penelope Sky 2017-08-15

Joseph Ingram made the mistake of stealing from me-four million dollars. He took my intelligence without paying for it. And thought he could get away with it. Think again. Now I'll take something from him-something irreplaceable. His sister. Collateral. But even when Joseph doubles the amount of money he owes me, I don't give her up. Nope. I have an image to maintain. So I keep her. And I'm not giving her up.

50 Great Myths of Popular Psychology - Scott O. Lilienfeld 2011-09-15

50 Great Myths of Popular Psychology uses popular myths as a vehicle for helping students and laypersons to distinguish science from pseudoscience. Uses common myths as a vehicle for exploring how to distinguish factual from fictional claims in popular psychology Explores topics that readers will relate to, but often misunderstand, such as 'opposites attract', 'people use only 10% of their brains', and 'handwriting reveals your personality' Provides a 'mythbusting kit' for evaluating folk psychology claims in everyday life Teaches essential critical thinking skills through detailed discussions of each myth Includes over 200 additional psychological myths for readers to explore Contains an Appendix of useful Web Sites for examining psychological myths Features a postscript of remarkable psychological findings that sound like myths but that are true Engaging and accessible writing style that appeals to students and lay readers alike

This Man - Jodi Ellen Malpas 2013-06-18

Book 1 of the #1 New York Times bestselling *This Man* series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her.

Teach me to Love You Jana Westwood 2020-08-27

Henrietta and Lidia, the two daughters of Lady Margaret Tomlin, have not received the same affection from their mother. For Lady Tomlin, her eldest daughter is ugly and boring, while Lidia is a paragon of perfection. Henrietta is a woman ahead of her time, who does not need flattery to lead a happy life. Lidia is Robert's fiancée Lord Worthington and they will be celebrating their wedding shortly. Or not, because fate is going to surprise these two sisters. Passionate love and intrigue in 19th century England.

Suddenly Sexy- Linda Francis Lee 2004

"When a legendary bad boy returns to town, Kate Bloom's ordered world gets turned upside down."--WorldCat.

[Dick's Kiss](#) - Fernando Molano Vargas 2005

[Francis Alÿs](#) - Russell Ferguson 2007

This book accompanies the first large-scale museum exhibition in the United States devoted to the work of Francis Alÿs, one of the most acclaimed artists working today. The central focus is Alÿs's *Rehearsal* (Ensayo) series, but a significant number of important related works from throughout Alÿs's career are also included. Alÿs's video installation *Ensayo 1*, 1999/2000, shows a red Volkswagen bug attempting to ascend a steep hill in Tijuana. The cars' attempts are synchronized with the soundtrack of a group of Mexican danzon

musicians rehearsing. Ensayo 2, 2005, is a video that shows the rehearsal of a dancer practicing a strip-tease. Ensayo 3 will be a new work made by Alÿs specifically for the exhibition and further extending the series. Other works include When Faith Moves Mountains and Song for Lupita; along with paintings, photographs, and numerous drawings. The book, written by Russell Ferguson, organizer of the exhibition, will provide an in-depth exploration of Alÿs oeuvre, and in particular the theme of rehearsal that has run throughout his work, as well as related issues such as repetition, storytelling, and the conditions of performance.

Closing the Cancer Divide - Felicia Marie Knaul 2012-12-17

Cancer is a leading cause of death and disability in low- and middle-income countries. A cancer transition is increasing preventable risk, illness, impoverishment from illness, and death in poor populations. This book presents innovative strategies for strengthening health systems in response to the challenge of cancer and other chronic illnesses.

The Sanatorium - Sarah Pearse 2021-02-02

REESE'S BOOK CLUB PICK "An eerie, atmospheric novel that had me completely on the edge of my seat." - Reese Witherspoon You won't want to leave. . . until you can't. Half-hidden by forest and overshadowed by threatening peaks, Le Sommet has always been a sinister place. Long plagued by troubling rumors, the former abandoned sanatorium has since been renovated into a five-star minimalist hotel. An imposing, isolated getaway spot high up in the Swiss Alps is the last place Elin Warner wants to be. But Elin's taken time off from her job as a detective, so when her estranged brother, Isaac, and his fiancée, Laure, invite her to celebrate their engagement at the hotel, Elin really has no reason not to accept. Arriving in the midst of a threatening storm, Elin immediately feels on edge--there's something about the hotel that makes her nervous. And when they wake the following morning to discover Laure is missing, Elin must trust her instincts if they hope to find her. With the storm closing off all access to the hotel, the longer Laure stays missing, the more the remaining guests start to panic. Elin is under pressure to find Laure, but no one has realized yet that another woman has gone missing. And she's the only one who could have warned them just how much danger they are all in. . .

Science, Good, Bad, and Bogus - Martin Gardner 1989

In a collection of writings spanning thirty years, Gardner probes the state of contemporary scientific research with emphasis on the problems of pseudoscience and the lack of hard evidence to support findings in parapsychology and the occult phenomena

El sabor de tus labios - Patricia Geller

Anahí necesita desconectar de la ajetreada y rutinaria vida que lleva en Madrid, por lo que decide irse unos días de vacaciones. Pero no imagina con quién coincidirá en el paradisíaco destino elegido. Enseguida se siente fuera de lugar, sin embargo, una velada inesperada le hará cambiar de opinión. Todo empieza con un baile, un encuentro a oscuras y el enigma de no conocer la identidad de la persona que la ha seducido. Un peligroso juego con el que experimentará emociones inesperadas y que le hará replantarse si todo vale por amor. Sensual, misteriosa, romántica y adictiva: así es El sabor de tus labios.

Please Understand Me - David Keirse 1984

Describes sixteen basic personality types, argues that people try to reshape their spouses, children, friends, and coworkers into models of themselves, and discusses different styles of leadership

Wife by Wednesday - Catherine Bybee 2016-06-01

"Blake needs a wife in order to keep his inheritance and offers Samantha ten million dollars for a one year marriage contract. It was a marriage contract the planned for everything ... except falling in love"--

The Ages of Lulu - Almudena Grandes 2011-01-04

At just fifteen years old, Lulu, a "round, hungry little girl," finds that her erotic cravings are already powerfully established when she is seduced by a family friend, Pablo, twelve years her senior. This initial encounter incites the violent power play that drives an adult Lulu through a series of increasingly titillating sexual exploits. Always fascinated by the thin line separating decency and morality from perversion, Lulu gains the courage to explore the darker side of her carnal desires—but as her forays become increasingly desperate, the world of illicit and dangerous sex threatens to engulf her completely. A groundbreaking novel of sexual exploration, The Ages of Lulu sparked international controversy and was an overnight

sensation when it was first published in Spain fifteen years ago. It won the Sonrisa Vertical Prize for erotic fiction, and was made into a film starring Javier Bardem.

Cada segundo - Patricia Geller 2020-12-18

Violeta Meyer es una joven que necesita liberarse de las imposiciones familiares y ha tomado la decisión de romper con su pasado, ofreciéndose como chica de compañía. Ella no imagina que, adentrándose en un mundo tan superficial, sentirá un placer diferente, conocerá a hombres que estarán dispuestos a todo por tenerla y descubrirá emociones insospechadas. No obstante, el tiempo apremia y Violeta teme que sus sentimientos la confundan y quedarse más de lo permitido. Pues no quiere enamorarse, pero se entrega a otros y su corazón sólo le pertenece a uno... Y quizá sea demasiado tarde para admitirlo. Ahora incluye contenido inédito; compuesto por dos nuevos desenlaces que cierran todas las historias que quedaron pendientes en su anterior edición.

Strategic Management - Fred R. David 2009

"Both the challenges and opportunities facing organizations of all sizes today are greater than ever. Illegal immigration across the U.S.-Mexico border has reached emergency levels. There is less room than ever for error today in the formulation and implementation of a strategic plan. This textbook provides a systematic effective approach for developing a clear strategic plan. Changes made in this twelfth edition are aimed squarely at illustrating the effect of this new world order on strategic-management theory and practice. ... This twelfth edition provides updated coverage of strategic-management concepts, theory, research, and techniques in the chapters."--Preface.

No me importa pecar - Patricia Geller 2022-11-30

Adriana Cazorla es una alocada azafata de vuelo que quiere dejar de fingir ser alguien que no es. Pero todos sus planes se trastocarán cuando se cruce con Gael Roca, el nuevo y reservado fotógrafo de la agencia de su padre con el que no tiene nada en común, excepto un inesperado y atrevido encuentro. Pese a que ambos están inmersos en un proceso de cambio, enseguida surgirá una fuerte conexión entre ellos. Ella cree que la necesidad de estar a su lado solo es una vía de escape y él se niega a admitir lo vivo que ella hace que se sienta; no solo por su evidente diferencia de edad, ni siquiera porque pertenezcan a distintas clases sociales, sino por el motivo que los ha unido. A pesar de que caer en esa provocadora tentación que lo incita a perderse en lo prohibido sea demasiado peligroso, Gael entenderá que el cambio que necesita lleva el apellido Cazorla. Pero ¿estará dispuesta Adriana a pagar el altísimo precio que implicará obtener la libertad que persigue al lado de Gael?

La apuesta - Patricia Geller 2021-05-07

Gala se ha vuelto una chica insegura y ya no cree en el amor, pero Luka estaría dispuesto a todo por tenerla. Ella se niega a sucumbir, sus personalidades son opuestas y no comparten el mismo estilo de vida. La diferencia de edad también juega en contra y la desconfianza que siente hacia los hombres no le permite avanzar. Pero cuando la pasión se desata, para ellos no existe nada más, aunque Gala no abandona la frialdad. Entonces surgirá la apuesta. Una inocente apuesta que pondrá en peligro la relación cuando descubran la verdad. Un secreto. Dos preguntas: ¿Quién es realmente Luka Acosta? ¿Qué le oculta Gala?

Cultural Memory and Western Civilization - Aleida Assmann 2011-11-14

This book provides an introduction to the concept of cultural memory, offering a comprehensive overview of its history, forms and functions.

Management - Ricky W. Griffin 2010-01-11

Introduce your students to management using the classic theory, current research, student-friendly presentation, and memorable examples in Griffin's MANAGEMENT -- the book that has already helped almost two million students prepare for successful business careers. This powerful, leading text combines traditional management coverage with well-known, careful examination of today's emerging management topics. The new 10th edition of MANAGEMENT now examines the latest on organizational justice and negotiation as well as the impact of the 2008-2009 economic recession and global warming on business. The book's well-organized, inviting approach organized around the functions of management helps students strengthen their management skills with an effective balance of theory and practice as well as numerous proven learning features. Students continue to study the growing service sector, ethics, global management and the impact of technology on management as they examine challenges today's managers face. Hundreds

of well-researched popular examples -- from large establishments, such as Coca-Cola, to emerging companies such as Google and Facebook -- bring concepts to life. Examples from smaller companies and non-profit organizations underscore the author's philosophy that strong management is critical to the success of any type of organization. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Macroeconomics - Paul Krugman 2018-02-12

When it comes to explaining fundamental economic principles by drawing on current economic issues and events, there is no one more effective than Nobel laureate and New York Times columnist Paul Krugman and co-author, Robin Wells. In this best-selling introductory textbook, Krugman and Wells' signature storytelling style and uncanny eye for revealing examples help readers understand how economic concepts play out in our world. Macroeconomics 5e provides unparalleled coverage of current topics, including sustainability, the economic impact of technology and pressing policy debates. A commitment to broadening students' understanding of the global economy; a global focus is woven throughout with more on the ascendance of China's economy, the Euro and events in Europe (including Brexit), and post-recession economies around the globe.

Rise of Fire Sophie Jordan 2017-02-07

New York Times bestselling author Sophie Jordan's romantic, sweeping fantasy *Reign of Shadows* continues in this suspenseful sequel, *Rise of Fire*. Luna and Fowler have escaped the kingdom of Relhok, but they haven't escaped the darkness. When a battle against the dark dwellers mortally injures Fowler, Luna is faced with a choice: put their fate in the hands of mysterious strangers or risk losing Fowler forever. Desperate to keep the one bright part of her life alive, Luna accepts the help of soldiers from a nearby kingdom. Lagonia's castle offers reprieve from the dangerous outside world—until the King discovers both Fowler and Luna's true ties to Relhok and their influence over the throne. Now pawns in each kingdom's political game, Luna and Fowler are more determined than ever to escape and build the life they've been dreaming of. But their own pasts have a tight hold on their hearts and their destinies. Luna must embrace the darkness and fire within her before she loses not only Fowler but the power she was destined to inherit.

Jane Fairweather Anya Wylde 2021-07-24

This book is part of the series but can be read independently. A new Fairweather sister, Jane, is of age, but woe betides, she does not want to marry. She is a brilliant artist and determined to make a name for herself in the male-dominated field. Enter Mrs Fairweather, a determined mother who will go to any length to get her daughter married off. Alas, through trickery, Jane finds herself taking her wedding vows wrapped in a quilt and wearing only a chemise. Poor Jane is yanked from her dull life in Finshire and thrust into a world full of strange in-laws, meddling sisters and a devilishly handsome husband, whose kisses begin to make her waver in her resolve to keep her heart locked against love. The madcap world of a Fairweather Sister is ready to take you on a well-sprung carriage ride once again...

No Ordinary Billionaire - J. S. Scott 2015-03-01

Dante Sinclair never cared about his family's money. All the young billionaire ever wanted was to be a cop; and now that he's a homicide detective in Los Angeles, he's a damn good one. But when he is injured and loses his partner in the line of duty, he returns to his vacation home in Amesport, Maine, to recover. Sarah Baxter, a brilliant young doctor still struggling with her stifled upbringing, has recently moved from

Chicago to sleepy Amesport to escape her past, hoping to find peace. When Sarah is assigned to Dante's case, there's an instant heat between them. They couldn't possibly be more different, yet their igniting passion is impossible to ignore. As new feelings awaken within Sarah, her haunted past returns, threatening her once again. But can Dante overcome his grief and discover the secrets Sarah is hiding in time to protect and rescue her?

Sears and Zemansky's University Physics - Hugh D. Young 2008

University Physics with Modern Physics, Twelfth Edition continues an unmatched history of innovation and careful execution that was established by the bestselling Eleventh Edition. Assimilating the best ideas from education research, this new edition provides enhanced problem-solving instruction, pioneering visual and conceptual pedagogy, the first systematically enhanced problems, and the most pedagogically proven and widely used homework and tutorial system available. Using Young & Freedman's research-based ISEE (Identify, Set Up, Execute, Evaluate) problem-solving strategy, students develop the physical intuition and problem-solving skills required to tackle the text's extensive high-quality problem sets, which have been developed and refined over the past five decades. Incorporating proven techniques from educational research that have been shown to improve student learning, the figures have been streamlined in color and detail to focus on the key physics and integrate 'chalkboard-style' guiding commentary. Critically acclaimed 'visual' chapter summaries help students to consolidate their understanding by presenting each concept in words, math, and figures. Renowned for its superior problems, the Twelfth Edition goes further. Unprecedented analysis of national student metadata has allowed every problem to be systematically enhanced for educational effectiveness, and to ensure problem sets of ideal topic coverage, balance of qualitative and quantitative problems, and range of difficulty and duration. This is the standalone version of University Physics with Modern Physics, Twelfth Edition.

Doble juego -

The Forbidden Billionaire - J. S. Scott 2015-07-28

All of Jared Sinclair's wealth still can't ease the pain from his terrible childhood or his guilt over a recent tragedy. Unable to forgive himself, the billionaire property investor buries his emotions, toughens his skin, and becomes a notorious womanizer, refusing to commit his heart to a woman when he's convinced she wants only his wallet. But ever since Jared arrived in Amesport, Maine, he's been intrigued by Mara Ross, the petite and sexy shop owner who asks nothing of him. When Mara's store is purchased without her knowledge, she stands on the brink of losing her home, her livelihood, and generations of family history. Then the irresistibly persuasive Jared proposes a business deal to Mara and soon draws her into a steamy, sensual affair, convincing her that he's anything but cold. However, when a revelation shakes Mara's fragile trust to the core, Jared must finally confront the truth about his past. In "The Forbidden Billionaire," J. S. Scott brings the next chapter in her passionate Sinclairs series to life.

Twelve Years a Slave - Solomon Northup 2021-01-01

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
