**The Power of Character in Leadership** - Myles Munroe 2014-01-01

How to Protect Your Leadership Influence and Power You've worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They've been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to

preserve your leadership influence so that it is both effective and enduring.

**Single, Married, Separated and Life after Divorce** - Myles Munroe 2005-01-28  
Single, Married, Separated, & Life After Divorce, Expanded Edition (2003) Singleness is a myth. To be single means to be all one (alone), separate, unique and whole. MARRIAGE is when two separate, unique and whole persons, one male and one female, make a covenant to exchange vows, committing their lives to remain together until death. Separation is an unofficial divorce with the exact same effect as divorce. It is the most tragic state of limbo. Divorce means to desert. The armed forces prosecute deserters. God has made no provision for divorce in the Bible. If you are invited to a wedding, you are a covenant witness, and if this couple later divorces, you should be invited to the divorce just as you were to the wedding.

**Burden Of Freedom** - Myles Munroe  
2013-09-02

The Burden Of Freedom explains that too many

people use past oppression to remain mired in hatred and irresponsibility today. The spirit of oppression has specific telltale effects on individuals, communities, and nations. These are identified by Myles Munroe as a hatred for work, laziness, fear, low self-esteem, selfishness, lack of creativity, low initiative, and distrust of those in authority. To break free from these self-replicating cycles of oppression there must be a mental transformation. Paradoxically, freedom requires the need to impose control on self, require more responsibility than slavery, and the decision to accept a destiny of freedom, recognizing the process and discipline that personal and political freedom require. Simply put, *The Burden Of Freedom* should be available to every citizen and on the shelves of every high-school, college, and community library in the country.

You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds—anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it to their lives. In *The Spirit of Leadership*, Dr. Munroe defines the unique attitudes that all effective leaders exhibit, explains how to eliminate hindrances to your leadership abilities, and helps you to fulfill your particular calling in life.
