This new alternative class introduced in Pathfinder Roleplaying Game Ultimate Combat was designed to be a new and unique look at the rogue class as seen from another culture, drawing on the myth and fantasy of the ninja. This book is intended not only to allow players to take a new look at the ninja, but to examine the class in an entirely new fashion, granting the ninja class features that stray from normal classes.

With archetypes such as the split soul granting the ninja the ability to split into alternative clones of themselves and blackheart beguilers forcing opponents to no longer believe their own eyes. Shikigami callers allow ninja to draw strength from wise guardian spirits while yokai scions gain the power to tap into their forgotten oni heritage.
