Cyclopedia Exotica - Aminder Dhaliwal

2021-11-11

"The characters in Dhaliwal's stories sparkle. They're tenderly rendered and their problems are real... The struggle of the cyclops unfolds in metaphors for race, sexuality, gender, and disability, tangling with ideas about fetishization, interracial relationships, passing, and representation."—Carmen Maria Machado, author of *In the Dream House* Following the critical and popular success of *Woman World*—the hit Instagram comic which appeared on 25 best of lists—Aminder Dhaliwal returns with *Cyclopedia Exotica*. Also serialized on Instagram to her 250,000 followers, this graphic novel showcases Dhaliwal's quick wit and astute socio-cultural criticism. In *Cyclopedia Exotica*, doctor's office waiting rooms, commercials, dog parks, and dating app screenshots capture the experiences and interior lives of the cyclops community; a largely immigrant population displaying physical differences from the majority. Whether they're artists, parents, or yoga students, the cyclops have it tough: they face microaggressions and overt xenophobia on a daily basis. However, they are bent on finding love, cultivating community, and navigating life alongside the two-eyed majority with patience and the occasional bout of rage. Through this parallel universe, Dhaliwal comments on race, difference, beauty, and belonging, touching on all of these issues with her distinctive deadpan humour steeped in millennial references. *Cyclopedia Exotica* is a triumph of hilarious candor.

Giantess Globalist Sperm War - Mandy De Sandra 2018-10-02

A dirty bomb has been dropped and humanity is forever changed. The boys who didn't die stayed the same but the women grew into giantesses--walking gods as tall as the mountains. To remake a new and better world, all post-pubescent men were eaten and killed, and the remaining boys were rounded up to live in The Pen and learn to become better men. One of those boys, Tyson, waits on Eve Night--the night before the giantesses select who will be reborn through their womb. Men themselves are now sperm and each giantess selects ten of their favorite men to go inside her and compete to be the winner--reborn as a baby. Tyson wants the childhood that was taken away from him during World War III, but he must learn to work, fight, and help the 9 others if he wants to be a baby again. "De Sandra creates a world that plays with edible men, female anatomy, and misandry. This is the giantess fetish at its most lurid and comical, while quietly illustrating the poignant isolation of divided gender." Devora Gray, Author of *Human Furniture* and *the Quest for the Perfect Woman*
