Il Barbiere Di Siviglia - Gioacchino Rossini 1851

Il barbiere di Siviglia/Moise et Pharaon - Gioacchino Rossini
2018-01-01

Rossini was one of the major innovators in the field of opera. Moise et Pharaon is a score which he revised for Paris ten years after it had been composed for Naples; the result shows the evolution of his taste over a decade - from the neoclassical sublime to spectacular Romantic grand opera. Il barbiere di Siviglia has been a favourite with the public since it opened, and Marco Spada analyses how its stylish comedy has been misunderstood. Other essays throw light on the working conditions of the 'opera industry' in Rossini's Italy, on Balzac's delightful novel concerning Moses and on the exceptional challenge of performing this type of music to a high standard. Contents: Rossini: the Serious and

the Comic, Philip Gossett; The Composer at Work, John Rosselli; The Roots of a Masterpiece, Marco Spada; A Personal View of Rossini, Ubaldo Gardini; Il barbiere di Siviglia: Libretto by Cesare Sterbini; The Barber of Seville: English version by Edward J. Dent; Balzac, Stendhal and Rossini's 'Moses', Pierluigi Petrobelli; From Sublime to Romantic, Richard Bernas; Moise et Pharaon: Libretto by Victor de Jouy and Louis Balochy; Moses: English translation by John and Nell Moody

Barbiere Di Siviglia Gioacchino Rossini 1985

English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. Rossini is one of the great operatic composers, an innovator within the whole concept of what was appropriate for serious as well as comic opera. Moses is a score which he revised for Paris, ten years after it had been composed for Naples; the result shows the evolution of his dramatic taste over a crucial decade--from the neo-classical sublime to spectacular Romantic grand opera. The Barber has been a consistent favorite with the public and performers since it opened, and Marco Spada analyses how its stylish comedy has been misunderstood. Other essays throw light on the working conditions of the opera industry in Rossini's Italy, on Balzac's delightful novel concerning Moses and on the exceptional challenge of performing this type of music to a high standard.
