**Law dictionary** - Dora von Beseler 1971

*Dictionary of Commercial, Financial, and Legal Terms Pertaining to Trade and Industry: English-German-French* - Robert Herbst 1955

**Bibliography on Foreign Law of Europe, Africa, Iceland, and USSR.** - Army Library (U.S.) 1953

*Dictionary of legal and commercial terms. Part 1, German - English* - Alfred Romain 1980

**Legal dictionary: English-German** - Hanns P. Kniepkamp 1954

*Legal Translation and the Dictionary* - Marta Chromá 2013-10-10

This study concentrates on three major issues creating a basis for the making of the "Czech-English Law Dictionary with Explanations", namely language, including terminology, in both the Czech and Anglo-American systems of law; the process of legal translation; and the lexicographic method of producing a bilingual law dictionary. Terminology has been considered the most significant feature of language for legal purposes. It encompasses a wide range of special-purpose vocabulary and higher syntactic units, including legal jargon. Conceptual analysis is to be pursued whenever an identical term in the target language does not exist or its full equivalent is in doubt. Legal translation should be based primarily on comparative legal, linguistic and genre analysis in order to make the transfer of legal information as precise, accurate and comprehensible as possible. The primary objective of legal translation is for the target recipient to be provided as explicit, extensive and precise legal information in the target language as is contained in the source text, complemented (by the translator) with facts rendering the original information fully comprehensible in the different legal environment and culture. A dictionary which will help its users to produce legal texts in the target language should be founded upon a profound comparative legal and linguistic analysis that will (a) determine equivalents at the levels of vocabulary, syntax and genre, (b) select the appropriate lexicographic material to be included in the dictionary, and (c) create entries in a user-friendly manner.

*Dictionaries, Encyclopedias, and Other Word-related Books: Multiple Languages (with English as one language)* - Marie Browne 1982

**International and Foreign Legal Research** - Marci Hoffman 2012-10-01

International and Foreign Legal Research: A Coursebook, second edition by Hoffman and Rumsey, now in a second edition, is designed for classes in foreign and international legal research. Topics covered in the book range from treaty research to chapters on particular subjects of international law. Coverage also includes chapters on researching foreign and comparative law as well as major international organizations, including the UN and the EU.

*Dictionary of Dictionaries and Eminent Encyclopedias* - Thomas Kabdebo 1997

Enlarged by some 50 percent and equipped with more comprehensive name and subject indexes, the second edition of this unique guide contains bibliographic and descriptive annotations for 8,000 dictionaries. It features 1,500 additional bilingual works, 400 new subject categories, and all the major electronic dictionaries produced in English. While the primary emphasis is on language dictionaries, subject dictionaries on topics as varied as ceramics, bookbinding, and theatre as well as dictionaries issued by international bodies and agencies are included. Covering all the world's languages, works may be bilingual, monolingual, or multilingual as long as there is an English element.

**The Oxford English Dictionary** - John Andrew Simpson 1991

**A Usage Dictionary English-German / German-English - Gebrauchswörterbuch Englisch-Deutsch / Deutsch-Englisch** -

Gabriele Stein 2013-08-29

The dictionary is based on a new concept which takes into account recent developments and findings in lexicographical research. It combines the best features of monolingual and bilingual dictionaries as well as learner dictionaries. Every sense of a word is first fully explained and then provided with translation equivalents. The grammatical behaviour of the words, their construction patterns are described in a language that is clear and easy to understand. Every sense of a word, every construction pattern is illustrated with an example. These example sentences are given in English and German so that the word looked up is shown in actual use and the translation guarantees its understanding and promotes retention. Special care is taken to explain differences between English and German in language use and culture. A new reader-friendly layout ensures that users will easily and speedily find the answer to what they want to know.

*Annual Survey of American Law* - 1978

Has supplement: The Literature of American legal history.

*The Global Translator's Handbook* - Morry Sofer 2013

A practical guide to translation as a profession, this book provides everything translators need to know, from digital equipment to translation techniques, dictionaries in over seventy languages, and sources of translation work. It is the premier sourcebook for all linguists, used by both beginners and veterans, and its predecessor, The Translator's Handbook, has been praised by some of the world's leading translators, such as Gregory Rabassa and Marina Orellana.

**The Record of the Association of the Bar of the City of New York** - Association of the Bar of the City of New York 2002

**New Insights into the Semantics of Legal Concepts and the Legal Dictionary** - Martina Bajčić 2017-04-12

This book focuses on legal concepts from the dual perspective of law and terminology. While legal concepts frame legal knowledge and take center stage in law, the discipline of terminology has traditionally been about concept description. Exploring topics common to both disciplines such as meaning, conceptualization and specialized knowledge transfer, the book gives a state-of-the-art account of legal interpretation, legal translation and legal lexicography with special emphasis on EU law. The special give-and-take of law and terminology is illuminated by real-life legal cases which demystify the ways courts do things with concepts. This original approach to the semantics of legal concepts is then incorporated into the making of a legal dictionary, thus filling a gap in the theory and practice of legal lexicography. With its rich repertoire of examples of legal terms in different languages, the book provides a blend of theory and practice, making it a valuable resource not only for scholars of law, language and lexicography but also for legal translators and students.

**How to Find the Law** - Morris L. Cohen 1983

"Characteristics of American Law and Legal Resources; Court Reports; Shepard's Citations; Online Updating Tools; West Key-Number Digests; ALR Annotations; Federal Statutory Research; State Statutory Research; Local Law Sources; Constitutional Law; Legislative History; Administrative Regulations and Decisions; Court Rules; Practice Materials; Looseleaf Services; Legal Periodicals; Periodical Indexes; Legal Encyclopedias; Restatements; Texts; Legal Dictionaries; Directories; Formbooks; Nonlegal Research Sources; Treaties; International Law; International Organizations; English Legal Research; Canadian Legal Research; Foreign and Comparative Law; Research Strategies."-- Book description

*The Translator's Handbook* - Morry Sofer 2006

Since 1997, this translator's guide has been the worldwide leader in its field and has elicited high praise from some of the world's best

translators. It has been fully updated in the 2006 edition.

**American Legal Literature** - Bernard D. Reams 1985

**Multilingual Law Dictionary** - Lawrence Deems Egbert 1979-02

**The Council of Europe French-English Legal Dictionary** - F. H. S. Bridge 1994-01-01

Designed to provide really usable, authentic translations, the new Council of Europe French-English Legal Dictionary is unusually comprehensive both in geographical range (Belgian, Luxembourg & Swiss terms are included) & in subject-matter, giving idiomatic English equivalents of countless terms unobtainable or inaccurately translated elsewhere; non-legal terminology has been rigorously excluded. The result is an incomparable reference work containing some 11 000 entries, clearly set out & easy to consult.

*"Non-Germans" Under the Third Reich* Diemut Majer 2003

"Indispensable to any student of the New Order in Europe between 1939 and 1945." -- English Historical Review

*International Books in Print* 1997

**The Genealogist's Internet** - Peter Christian 2012-06-21

This practical guide identifies the major websites and online sources of data available to family historians. It is ideal for both beginners and more experienced researchers as it explores the most useful sources and helps readers to navigate each one. The Genealogist's Internet features fully updated URLs and all of the recent developments in online genealogy.

This fully updated fifth edition, endorsed by the National Archives, is the comprehensive guide for anyone researching their family history online.

It covers: ·Online census records and wills, including the 1911 Census ·Civil registration indexes ·Information on occupations and professions ·DNA matching ·New genealogy websites and search engines ·Surname studies ·Passenger lists and migration records ·Information on digitised historical maps and photographs This book also includes the impact of blogging, podcasting and social networking on family history research, allowing family historians to find others with similar research interests and to share their results. Whether you want to put your family tree online, find distant relatives or access the numerous online genealogical forums, discussion groups and mailing lists, this book is a must-have.

Dictionary of Industrial Property - Francis Joseph Kase 1980-01-01

**International Law Dictionary** - Ernest Lindbergh 1992

As trade barriers are lifted in the single European market, the level of contact between European lawyers is certain to increase. A basic understanding of each other's technical and legal terminology is therefore essential and this dictionary is designed to fulfill this need. This book is a dictionary of English, French and German legal terms. It is in three sections so that it is easy to find the appropriate entry whether you are starting with an English, French or German word. It covers not only the technical legal terms, but general law-related terms from other fields and will be useful not only to lawyers, but also to a wide range of others in commerce and industry, such as auditors, accountants and insurance company executives.

*Englisch-Deutsch/Englisch-Deutsch* Barbara Wüstefeld 2015-06-03

**Translator Self-Training--German** - Morry Sofer 2011-12-01

Instructions on how to translate general as well as legal, medical, and business documents from German to English and from English to German.

Translator's Law Dictionary - Eric Allen Engle 2012-06-19

This work presents the basic legal terminology used in the English language with equivalent terms from German, principally, and French secondarily: that is because the French term is often some cognate to English. The dictionary includes definitions in English for most, not all terms because sometimes a simple synonym suffices or the concept is obvious on sight, at least to someone with at least the training of a paralegal. Latin and Italian terms are also occasionally represented as well. The Translator's Law Dictionary will be useful to legal translators, comparative lawyers, and internationally active law firms as well as other scholars of comparative and international law. While no multilingual law dictionary authored by one person in one lifetime could ever hope to be complete, this dictionary tries to present all the basics in current legal usage in the English language and equivalent concepts and terms from German and French. This dictionary has focussed on the procedural and substantive facts of law, the indispensable structural framework to any deeper discussion of the law. As well as the basics of law, this law has

tried to present the essentials of commercial law: contracts, torts, corporations, and taxation. Obscure and ancient legal concepts and esoteric theoretical concepts are not discussed here, for such are rarely, if ever, used in practice. Rather, this work presents a well rounded, and reasonably complete exposition of the basic legal terminology of the world's greatest legal systems as part of the construction of the globalization of the rule of law. Thus, while practical and focussed, the work also has some hopeful utility for visionaries, enabling jurists to anchor their concepts into new legal systems they will discover in the pages of this work.

**Essential 25000 English-German Law Dictionary** - Nam H Nguyen 2018-02-05

The Essential 25000 English-German Law Dictionary is a great resource anywhere you go; it is an easy tool that has just the words you want and need! The entire dictionary is an alphabetical list of Law words with definitions. This eBook is an easy-to-understand guide to Law terms for anyone anyways at any time. The content of this eBook is only to be used for informational purposes and an invaluable legal reference for any legal system. It's always a good idea to consult a professional lawyer or attorney with legal issues. Just remember one thing that learning never stops! Read, Read, Read! And Write, Write, Write! A thank you to my wonderful wife Beth (Griffo) Nguyen and my amazing sons Taylor Nguyen and Ashton Nguyen for all their love and support, without their emotional support and help, none of these educational language eBooks and audios would be possible. The Essential 25000 Deutsch-Englisch-Wörterbuch Law ist eine großartige Ressource, wohin Sie gehen; es ist ein einfaches Werkzeug, das gerade die Worte, die Sie wünschen und brauchen hat! Das gesamte Wörterbuch ist eine alphabetische Liste der Rechts Wörter mit Definitionen. Dieses eBook ist eine einfach zu verstehende Anleitung zu Recht Begriffen für jedermann sowieso jederzeit. Der Inhalt dieses eBook wird nur zu Informationszwecken zur Verfügung und eine unschätzbare gesetzlichen Bezugs jedem Rechtssystem verwendet werden. Es ist immer eine gute Idee, einen professionellen Rechtsanwalt oder Anwalt mit rechtlichen Fragen zu beraten. Denken Sie daran, eine Sache, dass das Lernen nie aufhört! Lesen, lesen, lesen! Und schreiben, schreiben, schreiben! Ein Dankeschön an meine wundervolle Frau Beth (Griffo) Nguyen und meine Söhne erstaunliche Taylor Nguyen und Nguyen Ashton für ihre Liebe und Unterstützung, ohne die emotionale Unterstützung und Hilfe wäre keines dieser Bildungssprache eBooks und Audios möglich.

*Encyclopedic Dictionary of Landscape and Urban Planning* Klaus-Jürgen Evert 2010-05-21

This unique, multilingual, encyclopedic dictionary in two volumes covers terms regularly used in landscape and urban planning, as well as environmental protection. The languages are American and British English, Spanish (with many Latin-American equivalents), French, and German. The encyclopedia also provides various interpretations of the terms at the planning, legal or technical level, which make its meaning more precise and its usage clearer.

*Law Books in Print: Subject - I* Myron Jacobstein 1976

*Searching the Law, 3d Edition* Frank Bae 2021-12-13

**Phraseological Dictionary English - German** - Roland Kraus 2011-10-14

The dictionary lists the general vocabulary - nouns, verbs, adverbs, adjectives - which occurs in practically all technical texts. This vocabulary should be mastered by all those who actively or passively work with technical texts since it provides the structures into which the technical terms of various fields of technology are embedded. The keywords are provided with numerous model sentences illustrating their usage and offering the user a variety of suggestions for his / her own formulations.

*Trilingual Swiss Law Dictionary* Thomas L. West III 2017-04-11

This is the first trilingual dictionary focused solely on Swiss legal terms, translating them from French into German and American English and from German into French and American English (including hundreds of terms for which TERMDAT.ch does not provide an English translation). It is fully up-to-date and includes the new terminology of Swiss civil procedure and criminal procedure that have been in effect since 2011. In addition to those two areas of law, the dictionary also covers civil law, criminal law, constitutional law, debt collection and bankruptcy, and corporate law. Particularly tricky terms are accompanied by a brief explanation, and where the term differs from the one usually used in France or Germany, the term from those countries is indicated as well.

At the end of each half of the book is a list of abbreviations and acronyms frequently encountered in Swiss legal writings, including many single-letter abbreviations that would be impossible to find by searching online. For many of the terms, the dictionary references the precise section number where they can be found in the relevant Swiss Code or Act, making it the perfect place to start an Internet search for additional information.

**Multilingualism in International Law and Institutions** - Mala Tabory 1980-01-01

NAFTA: Law & Business Review of the Americas provides a medium for understanding & implementing NAFTA. It emphasizes the legal aspects of NAFTA & doing business in the Americas. Coverage also includes the expansion & growth of NAFTA, & the overall impact (business, financial, economic, legal) upon the current three signatories & upon other interested countries in Latin America & elsewhere in the world. The journal is divided into three main sections: (I) Articles; (II) Implementation, covering the way that the United States, Canada, & Mexico are implementing NAFTA; & (III) Beyond NAFTA, which considers the developments occurring elsewhere in Latin & Central America, the Caribbean, & Europe. Topics of particular concern to this journal include free trade, direct investment, licensing, finance, taxation, litigation & dispute resolution, & organizational aspects of NAFTA. Besides the technical, legal pieces, the journal includes various policy oriented articles, economic pieces, & business strategy articles. NAFTA: Law & Business Review of the Americas achieves a unique balance in its coverage between practical & policy implications of NAFTA, covering both matters of immediate interest as well as those relating to reform of legal, business, economic, social, & political structures in the Western world. This approach makes it a valuable resource for both practitioners & academics in the field.

**Spanish-English Dictionary of Law and Business** - Thomas L. West 1999

This new dictionary provides a ready reference to essential terms and phrases used in all areas of law and business, including accounting, banking, civil law, civil procedure, contracts, corporate law, criminal law, criminal procedure, economics, intellectual property, labor law, real property, secured transactions, securities law, and torts. Written by an American attorney who is also an accredited translator, it provides complete coverage of terminology used in all Spanish-speaking countries, not just those countries where the other bilingual dictionaries on the market were written (i.e., Spain and Argentina). Accordingly, it is the only source for translations of terms that are unique to countries such as Colombia, Peru and Venezuela. The dictionary was thoroughly researched using original documents and monolingual dictionaries from the Spanish-speaking various countries and is thus authoritative and up-to-date. No lawyer or translator who works with Spanish legal and business documents can afford to be without it.

**Translators Law Dictionary** - Eric Engle

This work presents the basic legal terminology used in the English

language with equivalent terms from German, principally, and French secondarily: that is because the French term is often some cognate to English. The dictionary includes definitions in English for most, not all terms because sometimes a simple synonym suffices or the concept is obvious on sight to someone with at least the training of a paralegal. Latin and Italian terms are also occasionally represented as well. The Translator's Law Dictionary is useful to legal translators, comparative lawyers, and internationally active law firms as well as scholars of comparative and international law. While no multilingual law dictionary authored by one person in one lifetime could ever hope to be complete, this dictionary tries to present all the basics in current legal usage in the English language and equivalent concepts and terms from German and French. This dictionary has focused on the procedural and substantive facts of law, the indispensable structural framework to any deeper discussion of the law. As well as the basics of law, this law has tried to present the essentials of commercial law: contracts, torts, corporations, and taxation. Obscure and ancient legal concepts and esoteric theoretical concepts are not discussed here, for such are rarely, if ever, used in practice. Rather, this work presents a well rounded, and reasonably complete exposition of the basic legal terminology of the world's greatest legal systems as part of the construction of the globalization of the rule of law. Thus, while practical and focused, the work also has some hopeful utility for visionaries, enabling jurists to anchor their concepts into new legal systems they will discover in the pages of this work.

**Law Dictionary** - Dora von Beseler 1986

**A Dictionary of Modern Written Arabic** - Hans Wehr 1979

"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

**The Dictionary of Accessible Communication** - Silvia Hansen-Schirra 2021-10-15

Terminology on Accessible Communication has primarily evolved and been published within the borders of a given country with no or only little exchange across these borders. Since English can be regarded as the lingua franca of science, this first German-English dictionary of Accessible Communication will help to promote international exchange and an international discourse on this topic by attempting to define concepts that go beyond the scope of a single-country centered approach. The terminological work for this dictionary is based on the German Handbook of Accessible Communication. Most of the handbook's contents are language-independent and applicable to other recipient communities. On the basis of the German terminology, the English equivalents, definitions and explanations were researched. The dictionary contributes to the development of a standardised terminology across languages and cultures.
