NEW YORK TIMES BESTSELLER • Red Rising hit the ground running and wasted no time becoming a sensation. Golden Son continues the stunning saga of Darrow, a rebel forged by tragedy, battling to lead his oppressed people to freedom. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR, BUZZFEED, AND BOOKLIST • “Gripping . . . On virtually every level, this is a sequel that hates sequels—a perfect fit for a hero who already defies the tropes. [Grade:] A”—Entertainment Weekly As a Red, Darrow grew up working the mines deep beneath the surface of Mars, enduring backbreaking labor while dreaming of the better future he was building for his descendants. But the Society he faithfully served was built on lies. Darrow's kind have been betrayed and denied by their elitist masters, the Golds—and their only path to liberation is revolution. And so Darrow sacrifices himself in the name of the greater good for which Eo, his true love and inspiration, laid down her own life. He becomes a Gold, infiltrating their privileged realm so that he can destroy it from within. A lamb among wolves in a cruel world, Darrow finds friendship, respect, and even love—but also the wrath of powerful rivals. To wage and win the war that will change humankind's destiny, Darrow must confront the treachery arrayed against him, overcome his all-too-human desire for retribution—and strive not for violent revolt but a hopeful rebirth. Though the road ahead is fraught with danger and deceit, Darrow must choose to follow Eo's principles of love and justice to free his people. He must live for more. Praise for Golden Son “Stirring . . . Comparisons to The Hunger Games and Game of Thrones series are inevitable, for this tale has elements of both.”—Kirkus Reviews “Brown writes layered, flawed characters . . . but plot is his most breathtaking strength. . . . Every action seems to flow into the next.”—NPR Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE

Jack Benny and the Golden Age of American Radio Comedy -

Kathryn Fuller-Seeley 2017-10-17

"Jack Benny became one of the most influential entertainers of the 20th century--by being the top radio comedian, when the comics ruled radio, and radio was the most powerful and pervasive mass medium in the US. In 23 years of weekly radio broadcasts, by aiming all the insults at himself, Benny created Jack, the self-deprecating "Fall Guy" character. He indelibly shaped American humor as a space to enjoy the equal opportunities of easy camaraderie with his cast mates, and equal ego deflation. Benny was the master of comic timing, knowing just when to use silence to create suspense or to have a character leap into the dialogue to puncture Jack's pretensions. Jack Benny was also a canny entrepreneur, becoming one of the pioneering "showrunners" combining producer, writer and performer into one job. His modern style of radio humor eschewed stale jokes in favor informal repartee with comic hecklers like his valet Rochester (played by Eddie Anderson) and Mary Livingstone his offstage wife. These quirky characters bouncing off each other in humorous situations created the situation comedy. In this career study, we learn how Jack Benny found ingenious ways to sell his sponsors' products in comic commercials beloved by listeners, and how he dealt with the challenges of race relations, rigid gender ideals and an insurgent new media industry (TV). Jack Benny created classic comedy for a rapidly changing American culture, providing laughter that buoyed radio listeners from 1932's depths of the Great Depression, through World War II to the mid-1950s"--Provided by publisher.

A Golden Glow in the East -

Golden Age - Wang Xiaobo 2022-07-26

"At the time Wang was writing, novels about the Cultural Revolution tended to be fairly conventional tales of how good people suffered nobly during this decade of madness. The system itself was rarely called into question. Wang's book was radically different . . . The idea of how to stand up to power underlies Golden Age." —Ian Johnson, *The New York Times Book Review* Like Gary Shteyngart or Michel Houellebecq, Wang Xiaobo is a Chinese literary icon whose satire forces us to reconsider the ironies of history. "Apparently, there was a rumour that Chen Qingyang and I were having an affair. She wanted me to prove our innocence. I said, to prove our innocence, we must prove one of the following: 1. Chen Qingyang is a virgin; 2. I was born without a penis. Both of these propositions were hard to prove, therefore, we couldn't prove our innocence. Infact, I was leaning more toward proving that we weren't innocent." And so begins Wang Er's story of his long affair with Chen Qinyang. Wang Er, a 21-year-old ox herder, is shamed by the local authorities and forced to write a confession for his crimes but instead, takes it upon himself to write a modernist literary tract. Later, as a lecturer at a chaotic, newly built university, Wang Er navigates the bureaucratic maze of 1980's China, boldly writing about the Cultural

Revolution's impact on his life and those around him. Finally, alone and humbled, Wang Er must come to terms with the banality of his own existence. But what makes this novel both hilarious and important is Xiaobo's use of the awkwardness of sex as a metaphor for all that occurred during the Cultural Revolution. This achievement was revolutionary in China and places Golden Age in the great pantheon of novels that argue against governmental control. A leading icon of his generation, Wang Xiaobo's cerebral and sarcastic narrative is a reflection on the failures of individuals and the enormous political, social, and personal changes in 20th century China.

The Little Golden Calf - Evgenii Petrov 2009

This brand new translation of the famous satirical sequel to *The Twelve Chairs* resurrects the con man Ostap Bender, the smooth operator, and follows him and his three hapless co-conspirators on a hilarious romp through the Soviet Russia and Central Asia of 1930. Bender says he has "very serious differences of opinion with Soviet power. It wants to build socialism, and I don't." The smooth operator wants to emigrate to Rio de Janeiro, so he and his crew set off in pursuit of an underground millionaire, who, Bender is certain, will bring me his money himself, on a little saucer with a sky-blue rim. One of the greatest works of Russian satire of the 20th century (the 1932 American translation billed it as "The book that's too funny to be published in Russia!"), this lively new translation (the first since 1961) by Anne O. Fisher is copiously annotated (nearly 300 footnotes), and includes an introduction by Alexandra Ilf, the daughter of one of the book's two co-authors. So many quotations from *The Little Golden Calf* have entered everyday Russian speech that it stands alongside the works of Griboyedov, Pushkin, and Gogol for its profound effect on Russian language and culture. The tale overflows with legendary literary episodes, offering a portrait of Russian life that is as funny and true today as it was when the novel was first published (this edition is the first unabridged, uncensored English translation, and is 100% true to the original serial publication). For decades, foreigners trying to understand Russia have been advised to read the adventures of Ostap. This new translation makes them more enjoyable than ever.

Clueless Gringos in Paradise - Pamela Foster 2020-02-11

Mel Brooks claims that "Tragedy is when I cut my finger. Comedy is when you fall into an open sewer and die." In a snap decision fueled by boredom, Author Pamela Foster and her Vietnam Veteran husband, Jack, sell everything they own and set off for their new home—Bocas del Toro, Panama, a "tropical paradise." Adventure and change are what they're seeking, and it's just what they find when they pick up the leashes of their two 150-pound service dogs and emigrate to a foreign country. Jack is a chronically impulsive former Marine with raging PTSD, and the service dogs, Chesty and Rocca, are mastiffs who are never farther away than the end of a leash. Clueless Gringos in Paradise is as much about escape and adventure as it is companionship, and finding a balance between a wife who is prone to bursts of anxiety, a husband who thinks everything is "just fine," and two giant dogs that are not cut out for long-distance travel proves to be as challenging as making an impromptu move to another country. This story takes readers through a hilarious and harrowing journey on airplanes, boats, and buses, in taxis, high-rise hotels, restaurants, and cat-infested fish markets. Add a liberal dose of high anxiety—how could it not be hilarious?
