**Clinician's Guide to the Assessment Checklist Series** - Michael Tarren-Sweeney 2013-10-30

The Assessment Checklist series, created by Michael Tarren-Sweeney, provides the world's first standardised caregiver-report measures of a range of attachment- and trauma-related mental health difficulties experienced amongst children growing up in foster, adoptive, kinship and residential care. This clinical manual provides essential guidance for child and adolescent mental health clinicians who use the Assessment Checklist measures, including the Assessment Checklist for Children (ACC), the Assessment Checklist for Adolescents (ACA) and the Brief Assessment Checklists (BAC), as part of their specialized assessments of children and adolescents in care. Split into three parts, the book explores all aspects of using and interpreting the Checklist series. Part 1 provides an overview of the Assessment Checklist measures, the rationale for their development and instructions on how to use the measures for clinical assessment, screening and treatment monitoring. Part 2 provides expert guidance to clinicians on interpreting Assessment Checklist score profiles and provides detailed information about several specific types of mental health difficulties measured by them. Part 3 describes the development and psychometric properties of the various Assessment Checklist measures, including information about their validity and reliability. It also introduces several new measures that are under development. Ideal for clinical child psychologists, child and adolescent psychiatrists, child psychotherapists and clinical social workers looking to improve the quality and depth of their clinical assessments with children and adolescents, this book provides essential guidance on professional use of the Assessment Checklist measures.

**The Dudes' Guide to Pregnancy** - Bill Lloyd 2008-05-02

When a couple gets pregnant, typically, the first thing the mother-to-be does is rush out to the bookstore to buy the various pregnancy bibles. But how is the expectant father supposed to know what to expect? He could wait in the dark and take his cues from his partner, or he could prepare himself for anything and everything by seeking the counsel of two regular dudes, who have climbed the steep learning curve (and lived to tell) that comes when having a baby. THE DUDES' GUIDE TO PREGNANCY dispenses irreverent, honest, practical advice for the expectant father in an easy-to-understand--and often hilarious--man-to-man format. Taking you through the entire nine month process, the Dudes offer advice on what to expect from your newly pregnant wife (paranoia, morning sickness, enlarged breasts, no sex); the dos and don'ts of dealing with your wife's body and mood changes, your mother-in-law and other family members; and the nitty-gritty details of what is expected of you and how your life will be changing during the next 40 weeks. THE DUDES' GUIDE TO PREGNANCY gives twenty-something to

forty-something men the indispensable tools and advice they need to maneuver the many ups and downs associated with impending fatherhood.

**The Fat Girl's Guide to Life** - Wendy Shanker 2008-12-02

"Thank heavens for Wendy Shanker: She's written a manifesto for all of us who are sick of obsessing over our bodies." -Seventeen Whether you're overweight or over dieting, Wendy will help you stop trying to drop pounds and drop insecurity instead. Wendy Shanker is a fat, healthy, beautiful girl who has simply had enough. Enough of family, friends, co-workers, women's magazines, even strangers on the street, all trying (and failing) to make her thin. She finally decided, "If I can't take it off, I'm going to take it on." With a mandate to change the world--and the energy to do it--Wendy shows how media madness, corporate greed, and even the most well-intentioned loved ones prey on our shrink-to-fit minds, if not our shrink-to-fit bodies. She invites people of all sizes, shapes, and dissatisfactions to trade self-loathing for self-tolerance, celebrity worship for reality reverence, and a carb-free life for a guilt-free Krispy Kreme. In Wendy's wonderfully funny and candid voice, she explores dieting debacles, full-figured fashions, and feminist philosophy while guiding you through exercise clubs, doctor's offices, shopping malls, and even the bedroom. She believes that you can be fit and fat,

even as the weight loss industry conspires to make you think otherwise. The Fat Girl's Guide to Life invites you to step off the scale and weigh the issues for yourself.

THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • Everyone is talking about A Good Girl's Guide to Murder! With shades of Serial and Making a Murderer this is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, Good Girl, Bad Blood! "The perfect nail-biting mystery." --Natasha Preston, #1 New York Times bestselling author

**The Busy Girl's Guide to Digital Photography** - Lorna Yabsley 2014-01-30

The only complete guide to photography designed specifically for women who want to improve their photographic skills for both pleasure and profit. With inspirational case studies and examples from professional and semi-pro female photographers, user-friendly technical explanations and image critiques, this book is a practical and useful toolkit for busy girls who enjoy photography. Becoming an accomplished and competent photographer needs to be approached in three stages: Understand your camera and learn how to drive it; Composition - tune in and understand your subject; Post production - share and print. Rather than explain every technical function from the outset, the aim of this book is to demystify the jargon and take you, step by step, back to the basic fundamental principals of photography; first putting you in control of the

camera which will, in turn, free up the composition and creativity. The more advanced features of the camera and in-depth processes can be

explored once the basic principals are understood. This is a fun, contemporary photography book that will become your essential tool for taking your passion for photography to the next level.
