Letters of Note: Wi2020-03-31

A compilation of remarkable letters with love at their heart, from the curator of the globally popular Letters of Note website. The first volume in the bestselling Letters of Note series was a collection of hundreds of the world's most entertaining, inspiring, and unusual letters, based on the seismically popular website of the same name--an online museum of correspondence visited by over 70 million people. From Virginia Woolf's heartbreaking suicide letter, to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter. Now, the curator of Letters of Note, Shaun Usher, gives us wonderful new volumes featuring letters organized around a universal theme. In this volume, Shaun Usher turns to the subject of love. What emotion inspires humans to put pen to paper more than love? It's unsurprising that love letters provide an endless source of extraordinary writing. Letters of Note: Love gathers together some of the most powerful messages about love ever composed, whether inspired by love's first blush or the recriminations at its ending, the regrets of unrequited feelings and the joys of passions known. Includes letters by Zora Neale Hurston, Napoleon Bonaparte, Frida Kahlo, Nelson Mandela, and many more.

The Gospel of Life - Pope John Paul II 1995-04

Reaffirming the "greatness and inestimable value of human life," Pope John Paul II discusses in this encyclical letter the present-day legal, ethical, and moral threats to life. In view of today's climate of practical materialism, he addresses, among other issues: abortion artificial reproduction techniques contraception death penalty euthanasia

legitimate defense sterilization suicide The Holy Father encourages the faithful to promote and develop the Christian message concerning life, based on the goodness and dignity of life and on the human responsibility to share in the fullness and truth of God's love. In order to build a new culture of human life through prayer and action, he welcomes evangelization efforts and stresses the role of the family in bringing this to fruition. Noting the unique role of women in promoting a "new feminism" that overcomes discrimination, violence, and exploitation, the pope recognizes the witness of love through motherhood and also adds a special word to women who have had an abortion. The letter concludes by looking to Jesus, in order that all may contemplate the life that was made manifest, and to the example and solace of Mary, who is the mother of life.

God Is the Gospel - John Piper 2005-09-08

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6 This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying--namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel--and this book--good news.

Holy Scriptures, Tree of Life Version - Messianic Jewish Family Bible Society 2015-08-04

A New Translation to Highlight the Jewish Roots of the Christian Faith The first Christians were Jews, and Christianity has its roots in the religion of God's chosen and called out people. Jesus's death and resurrection was not the beginning of a new religion but the fulfillment of the covenant God made with his people. Yet most Bible translations sacrifice the deep connection between the Jewish roots of our faith and the grafted-in Gentile branches, using imprecise English terms rather than Hebrew terms that encompass a fuller meaning. The Tree of Life Version (TLV) is a new Bible translation, produced by the Messianic Jewish Family Bible Society, which highlights the rich Hebrew roots of the Christian faith by restoring: · the Jewish order of the books of the Old Testament · the Jewish name of the Messiah, Yeshua · reverence for the four-letter unspoken name of God · Hebrew transliterated terms, such as shalom, shofar, and shabbat · and more

[The Joy of the Gospel](#) - Pope Francis 2014-10-07

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. [She Reads Truth](#) - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
