Which is why when Hannah advertises for a housekeeper, Claire is confident she can apply and not be recognized. And since she has time

on her hands, revenge on her mind, and a talent for acting... Because what better way to seek retribution—and redress—than from within the beautiful Mrs. Hannah Carter's own home? The English Major - Jim Harrison 2009-10-13

From the New York Times–bestselling author of *Legends of the Fall*: “Harrison spins the common chaff of a road trip into gold” (Tim McNulty, *The Seattle Times*). “It used to be Cliff and Vivian and now it isn’t.” With these words, Jim Harrison begins a riotous, moving novel that sends a sixty-something man, divorced and robbed of his farm by a late-blooming real estate shark of an ex-wife, on a road trip across America. Cliff is armed with a childhood puzzle of the United States and a mission to rename all the states and state birds, the latter of which have been unjustly saddled with white men’s banal monikers up until now. His adventures take him through a whirlwind affair with a former student from his high-school-teacher days twenty-some years before, to a “snake farm” in Arizona owned by an old classmate, and to the high-octane existence of his son, a big-time movie producer who has just bought an apartment over the Presidio in San Francisco. Jim Harrison’s riotous and moving cross-country novel, *The English Major*, is the map of a man’s journey into, and out of, himself. It is vintage Harrison—reflective, big-picture American, and replete with wicked wit. “The English Major is to midlife crisis what *The Catcher in the Rye* is to adolescence.”

A Man Named Doll - Jonathan Ames 2021-04-20

In this deliciously noir novel from the creator of HBO's *Bored to Death*, idiosyncratic private detective Happy Doll embarks on a quest to help a dying friend in a sun-blinded Los Angeles as "quirky, edgy, charming, funny and serious" as its protagonist (Lee Child). Happy Doll is a charming, if occasionally inept, private detective living just one sheer cliff drop beneath the Hollywood sign with his beloved half-Chihuahua half-Terrier, George. A veteran of both the Navy and LAPD, Doll supplements his meager income as a P.I. by working through the night at a local Thai spa that offers its clients a number of special services. Armed with his sixteen-inch steel telescopic baton, biting dry humor, and just a bit of a hero complex, the ex-cop sets out to protect the women who work there from clients who have trouble understanding the word "no." Doll gets by just fine following his two basic rules: bark loudly and act first. But when things get out-of-hand with one particularly violent patron, even he finds himself wildly out of his depth, and then things take an even more dangerous twist when an old friend from his days as a cop shows up at his door with a bullet in his gut. *A Man Named Doll* is more than just a fascinating introduction to one truly singular character, it is a highly addictive and completely unpredictable joyride through the sensuous and violent streets of L.A.

Hitting Trees with Sticks - Jane Rogers
2013-12-03

Long-listed for the 2013 Frank O'Connor International Short Story Prize **Short-listed for the 2013 Edge Hill Short Story Prize** A young textile designer quits Britain to work for a Nigerian women's refuge, confident that this is her one chance to make a difference... A sixteen-year-old uses his first job, as a window-cleaner, to peer into other people's lives and carefully plan his own... A leading scientist spends an evening trying to explain his latest theory to a man who could destroy him... The characters in Jane Rogers' first short story collection are each blessed with an unwavering conviction. Buoyed up on self-belief, they enthuse, take calculated risks, and refuse to be deterred by the odds stacked against them. But just as Rogers' compassion as a writer endears us to their

cause, her keen eye shows how fine the balance can be between conviction and self-delusion. At times, her subject seems to be the fallibility of any point of view, the persistence of blind spots no matter how careful or intelligent the viewer. Hers are not unreliable narrators, merely human ones - diverse, contradictory, imperfect. Indeed it is often their flaws that beguile us. 'There is nothing predictable about a Jane Rogers story. She has the confidence and skill to inhabit many different voices and different worlds. She slides the reader, in imagination, to a snow-bound France, to Africa, to the Caribbean: she takes us into offices and libraries, under the sea and into the forest, and also into the vast untrodden country of memory that we carry around inside. Her observation of our species is tender, precise, illuminating.' - Hilary Mantel 'Thrilling, ambitious stories that cross continents and soar from cells to stars.' - Maggie Gee 'Warm, wise, insightful, sharply observed and beautifully written - each story is a world in microcosm.' - Marina Lewycka 'This is her first collection of short stories, and it is beautiful.' - The Independent on Sunday

In Another Life - Marc Levy

An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... An extraordinary story of love and vengeance in the international art world... A fast-paced and gripping tale... Jonathan and Anna are in the final stages of planning their Bostonian high-society wedding, when Peter, an auctioneer for Christie's and Jonathan's best friend, calls with news that will change all of their lives. He has just been informed that a small London art gallery has come in to possession of five canvases by the 19th century artist, Vladimir Radskin. Jonathan, the world's foremost expert on Radskin, immediately understands the significance of the information. If the gallery indeed has five paintings, then the collection could very well include Radskin's final canvas - a painting that has become legendary ever since it went missing in mysterious circumstances before its public unveiling in 1868. For Jonathan, who has spent the last twenty years of his career searching for this painting, its discovery and authentication would finally establish the under-appreciated Radskin as a true master. For Peter, whose recent auctions have come under fire from the critics, an ensuing high-profile sale would represent an opportunity to salvage his career. When Jonathan meets Clara, the owner of the London gallery, he is overwhelmed by a dizzying sense of déjà-vu. But in the desperate rush to authenticate the fifth painting, he simply puts this strange feeling down to their shared passion for the late Russian painter. He and Clara are both convinced that this breath-taking painting is Radskin's mythical last work, but they need proof: for *The Young Girl in the Red Dress* is unsigned. Their quest takes them from a gallery

in Piccadilly to a paint workshop in Florence, from a laboratory in the Louvre to a mysterious manor in the English countryside. The more Jonathan and Clara uncover about Radskin's last painting, the more they discover about themselves: three very different lives, three inextricably intertwined destinies, caught in a race against time. "His writing flows, it is elegant and fast paced... In *Another Life* is *Romeo and Juliet*, set in today's modern world . It's dense, beautiful, and just as tragic." - Paris Match "His stories make us dream, his writing fills us with emotion." - Elle

Echoes from the Dead Johan Theorin 2008-11-25

On a gray September day, on an island off the coast of Sweden, six-year-old Jens Davidsson ventured out of his backyard, walked out into a fog, and vanished.... Now twenty years have passed, and in this magnificent debut novel of suspense—a runaway bestseller in Sweden—the boy's mother returns to the place where her son disappeared, drawn by a chilling package sent in the mail... In it, lovingly wrapped, is one of Jens' sandals—sandals Julia Davidsson put on her son's feet that very last morning. Now, with only a handful of clues, Julia and her father are questioning islanders who were present the day Jens vanished—and making a shocking connection to Öland's most notorious murder case: the killing spree of a wealthy young man who fled the island and died years before Jens was even born. Suddenly the island that once seemed so achingly familiar turns strange and dangerous... Until Julia finds herself facing truths she never imagined—about what really

happened on that September day twenty years ago, about who may have crossed paths with little Jens in the fog, and how a child could truly vanish without a trace...until now.

Irene - Pierre Lemaitre 2014-12-09

Camille Verhoeven, whose diminutive stature belies his fierce intensity, has reached an unusually content (for him) place in life. he is respected by his colleagues and he and his lovely wife, Irene, are expecting their first child. But when a new murder case hits his desk--a double torture-homicide that's so extreme that even the most seasoned officers are horrified-Verhoeven is overcome with a sense of foreboding. As links emerge between the bloody set-piece and at

least one past unsolved murder, it becomes clear that a calculating serial killer is at work. The press has a field day, taking particular pleasure in putting Verhoeven under the media spotlight (and revealing uncomfortable details of his personal life). Then Verhoeven makes a breakthrough discovery: the murders are modeled after the exploits of serial killers from classic works of crime fiction. The double murder was an exquisitely detailed replication of a scene from Bret Easton Ellis's *American Psycho*, and one of the linked cold cases was a faithful homage to James Ellroy's *The Black Dahlia*. The media circus reaches a fever pitch when the modus operandi of the killer, dubbed "The Novelist," is revealed. Worse, the Novelist has taken to writing taunting letters to the police, emphasizing that he will stop leaving any clues behind unless Verhoeven remains on the case. For reasons known only to the killer, the case has become personal. With more literature-inspired murders surfacing, Verhoeven enlists the help of an eccentric bookseller and a professor specializing in crime fiction to try to anticipate his adversary's next move. Then Irene is kidnapped. With time running out, Verhoeven realizes that all along he's been the unwitting dupe in The Novelist's plans to create an original work of his own. Now, the only person in the world the commandant truly cares for is in danger, and a happy ending seems less and less likely as it becomes clear that the winner of this deadly game may be the man with the least to lose.
