Pandey 2016-12-20

His father's over expectations only ruined his self-confidence further with each failure. A ray of hope walked into his life as his wife, a charismatic personality spreading joy wherever she went. Everything is going per plan, but darkness comes knocking soon. He finds out that she does not have

much time to live and takes it upon himself to fight all odds - even his family, if need be - to help her fight her medical condition. His father sees his own redemption in helping them; he knows his son will be a winner only if he will fight for her, with her. Will a defeated son prove himself to be a good husband? Will the father-son duo together be able to change

the course of fate? Her Last Wish is an inspiring story of love, relationships and sacrifice, which proves once again how a good wife makes the best husband.

The Lord and Master of Gujarat

- K M Munshi 2018-05-16

The kingdom of Patan is under attack from the army of Avanti. People have fled their villages to seek refuge in the city.

Amidst the mounting panic, the arrival of Kaak, a young warrior from Laas, sets in motion a frantic chain of events. The Lord and Master of Gujarat is set four years after The Glory of Patan, and unfolds at dizzying speed, abounding in conspiracies, heroism and romance. From the spectacular rise of Siddhraj Jaysinh to the intrigues surrounding the consolidation of Gujarat, from the growing romance between Kaak and Manjari to the escalating tension between Munjal Mehta and Kirtidev over the future of the kingdom, this is an epic novel in the

grand tradition of Alexandre Dumas. Arguably K.M. Munshi's best-known work, it deftly weaves state politics and battles with personal trials and tribulations into one glorious tapestry.
