My Buddy. World War II Laid Bare - Dian Hanson 2018

From the Michael Stokes Collection, this extraordinary publication reveals a side of World War II never before made public: young Allied troops discharging tension in boisterous, naked play and intimate "buddy" friendships. A remarkable, often tender, lineup of personal photographs and vintage military ephemera, these images offer a whole new perspective on masculinity and the wartime relations between men. Every harrowing day for a serviceman during World War II was potentially his last. To

help bolster troops against the horrors of combat, commanders encouraged them to form tight "buddy" relationships for emotional support. Many war buddies, together every moment, and depending on each other to survive, formed intimate friendships. When they weren't fighting side by side, they relaxed together, discharging tension in boisterous--sometimes naked--play. The full extent of nude horseplay among men during World War II can't be known, as cameras were rare and film hard to process, but some men did document this unprecedented male bonding in small, anonymous photos mostly kept hidden away until their deaths. Los Angeles photographer Michael Stokes has spent years searching out these photos and building an archive of over 500 images. His collection includes soldiers and sailors from Australia, England, France, Italy, Poland, Russia, and the USA, cavorting on the sand in the South Pacific, shivering in the snow of Eastern Europe, posing solo in the barracks,

stone-of-tears-the-sword-of-truth-2-itellyoure

and in great happy groups just about everywhere. These images show men barely out of boyhood, at their physical peak, responding to the reality of battle by living each day to the fullest--a side of the war never before made public. The introduction is by Scotty Bowers, an 89-year-old ex-Marine and author of *Full Service*, the best-selling memoir of his sexual exploits in Hollywood, and how the war forever altered his attitudes about gay and straight, just as these photos may alter our attitudes about World War II and war buddies

This is a journey that began 25 years ago with the 1994 release of WIZARD'S FIRST RULE, when Richard first met Kahlan that fateful day in the Hartland woods. After the Sword of Truth series ended, I knew there was more to Richard and Kahlan's story. Much more. A whole world more. For years, readers have asked me about Richard and Kahlan's lives after the Sword of Truth series... and importantly, about their children. While my masterwork, Sword of Truth, concluded with WARHEART - 20 languages and 26 million books sold - I was burning to tell readers more about Richard and Kahlan. For that reason, this new series starts immediately after the 'Sword of Truth' books ended. Without skipping a beat, readers will plunge back into Richard and Kahlan's lives, with new episodes releasing every three months. So it is that I want to welcome you all back into

God's Feminist Movement - Amber Picota
2016-07-19

Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and

its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian cliches that minimize a womans true position in Christ!

WrestleCrap - Randy Baer 2010-12-16

WrestleCrap: The Very Worst of Professional Wrestling examines some of the ridiculously horrible characters and storylines that pro wrestling promoters have subjected their fans to over the past twenty years. Why would any sane person think that having two grown men fight over a turkey was actually a reasonable idea? Was George Ringo, the Wrestling Beatle, really the best gimmick that a major promotional organization could come up with? And who would charge fans to watch a wrestler named the Gobbeldy Gooker emerge from an egg? In an attempt to answer such questions and figure out just what the promoters were thinking, authors Randy Baer and R.D. Reynolds go beyond what wrestling fans saw on the screen and delve into the mindset of those in the production booth. In some instances, the motivations driving the

spectacle prove even more laughable than what was actually seen in the ring. Covering such entertainment catastrophes as an evil one-eyed midget and a wrestler from the mystical land of Oz, not to mention the utterly comprehensible Turkey-on-a-Pole match (a gimmick which AWA fans might recall), WrestleCrap is hysterically merciless in its evaluation of such organizations as the WCW and the WWF. This retrospective look at the wrestling world's misguided attempts to attract viewers will leave wrestling fans and critics alike in stitches.

In Recluce this means taking one of two options: permanent exile from Recluce or the dangergeld, a complex, rule-laden wanderjahr in the lands beyond. Many do not survive. Lerris chooses dangergeld. Lerris will need magic in the lands beyond, where the power of the Chaos Wizards reigns unchecked, and he must learn to use his powers in an orderly way before his wanderjahr, or fall prey to Chaos. The Law of Nines Terry Goodkind 2009-08-18
The #1 New York Times bestselling author
delivers a stunningly original thriller in this
powerful page-turner. Trouble will find you They
watch you through mirrors... "Your mother was

twenty-seven when it came to her. Now you're
twenty-seven, and it's come to you." The skin of
Alex's arms tingled with goose bumps. By her
twenty-seventh birthday insanity had come to his
mother.... Turning twenty-seven may be
terrifying for some, but for Alex, a struggling
artist living in the mid-western United States, it
is cataclysmic. Inheriting a huge expanse of land
should have made him a rich and happy man;
but something about this birthday, his name, and
the beautiful woman whose life he just saved,
has suddenly made him — and everyone he loves
— into a target. A target for extreme and
uncompromising violence... Where do you turn
when your own reflection spells doom? In *Alex*,
Terry Goodkind brings to life a modern hero in a
whole new kind of high-octane thriller.
