Genesis 1 to 11 - John F. MacArthur 2015-12-01

Where did we come from? Why is there pain and suffering? Who committed the first murder? Why are there so many languages in the world? The first eleven chapters of the book of Genesis have the answers to these questions and more—providing us with the history of the

human race in its earliest years prior to the time of Abraham. In this study, John MacArthur guides readers through an in-depth look at the creation story, the first murder, Noah and the Flood, the first covenant, the Tower of Babel, and the dispersion of the nations. This study includes close-up examinations of Adam, Eve, Cain, Abel, and Noah, as well as careful considerations of doctrinal themes such as “The Fall of Man” and “Heritage and Family.” The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

Old Testament Study Guide, Pt. 1 - Randal S. Chase 2010-12-01

Old Testament Study Guide, Pt. 1: Genesis to Numbers. This volume is the first of three on the Old Testament. It begins with a discussion of the importance of studying the Old Testament, and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven. We read concerning the process of creation, the placing of Adam and Eve in the Garden of Eden, and their fall into mortality. We learn briefly about Cain and Abel, followed by brief discussions of all the patriarchs from Adam to Abraham, Isaac, and Jacob. We follow the story of Joseph in Egypt followed by

the migration of Jacob's family to that land for survival. We read of the rise of Moses, the Exodus, and the events at Mt. Sinai. Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years. The cover features a beautiful image of Abraham's Journey from Ur to Canaan, painted by Jozsef Molnar in 1880.

The Divine Unity of Scripture - Adolph Saphir 1892

These lectures of Dr. Saphir were delivered in Kensington, at the close of 1889 and beginning of 1890. They are, in some respects, the most important of all his writings, as they give, in connected form, his matured views of the relation of the two great divisions of the Bible. No preacher or writer of our day had such a clear insight into the spirit and connection of the sacred writings. This was the great charm of his preaching, which made it so attractive to many earnest-minded Christians of all churches. - Preface.

Genesis, a Small Group Bible Study Guide - The Lafemina 2016-08-10

Notice: This is an early-release edition The story of creation, as told in Genesis, has caused more controversy over the past century than any other book of the Bible. This discussion oriented study guide leads the participants past this controversy and into the foundational accounts of the Christian faith. The small group is guided through the Biblical text, leading them to an understanding of what Moses' message meant to the recently freed Israelites that he led out of Egypt as well as to an understanding of what the message means to us today. Insightful questions reveal the interconnection between Genesis and later parts of the Bible and challenge the students to see how the struggles of our forefathers continue to play out in our own lives. The guide serves both mature Christians and those new to the faith with questions that follow Genesis, chronologically, allowing adjustment to the pace of study, depending on the level of discussion generated.

It Will Stand: Leader's Guide - Mary Love Eyster 2011-12

How can an ancient book make a difference in the life of a modern teenager? *It Will Stand* is a new approach to teenage Bible studies that focuses on the root literature of Christianity, the Bible. Many teenagers know parts of the Bible but do not realize that it tells one story from cover to cover. They might also ask how the Bible can be understood and applied to their own lives. *It Will Stand* addresses these questions: where did the Bible come from, and how do we know it is real? The second half of the book shows today's teen how to apply biblical truths to everyday living. Upon completing this study, teenagers will have a greater depth, understanding, and application skills of the greatest book ever written.

Study Guide:Genesis to Revelation - Paul Griffin 2018-11-07

Study Guide:Genesis to Revelation is a chapter by chapter summary of the entire Bible. These summaries will help you to understand the Bible and quickly grasp an overview of the salient points of each chapter. They are not written as a commentary with detailed explanations of how different theologians or commentators interpret the meaning of scriptural passages. Rather they are a simple summary high lighting some key facts or principles. These Bible summaries are not intended as a substitute for reading the Bible for yourself but rather to enhance your experience. They will help you to focus on what you are reading and so allow God to speak to you through the 'overview' as well as the details, as you read His word.

Ignatius Catholic Study Bible: Book of Genesis Scott Hahn 2010-01-01

Based on the Revised Standard Version, Second Catholic Edition, this volume leads readers through a penetrating study of Genesis, using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible teachers Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. These helpful study notes make explicit what Genesis often assumes. They also provide rich historical, cultural, geographical, and theological information pertinent to Genesis. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for Genesis. These can deepen your personal study of God's Holy

Word. There is also an introductory essay covering questions of authorship, date, destination, structure, and themes. An outline of Genesis is also included. "Once a generation a truly unique Bible tool is given to the Church. The Ignatius Study Bible is a gift for our generation. This is the most important book since the Catechism of the Catholic Church. Every parish study group and every student of Sacred Scripture should own and use this Bible".---David Currie Author, Born Fundamentalist, Born Again Catholic "This Bible study Bible is a triumph of both piety and scholarship, in the best Catholic tradition: simply the most useful succinct commentary that any Christian or other interested person could hope for."---Erasmus Leiva-Merikakis Author, Fire of Mercy, Heart of the Word "With copious historical and theological notes, incisive commentary and tools for study, Genesis come alive in their historical setting and contemporary application. The wisdom of the Fathers and the teaching of the Church illuminate its every page. Hahn and Mitch have done much of the work for us. Unabashedly Catholic, this series will assist the scholar as well as the beginner to Bible study."---Stephen Ray Author, Upon This Rock *Old Testament Study Guide* Chuck Smith 2006-01

The ideal accompaniment to any Bible. Are you ready to give an answer to anyone, anywhere, who might ask you about Jesus Christ? The only way to be prepared is to know and to memorize the Scriptures. Unlocking the Mysteries of Genesis Henry M. Morris 2016-08-01

Unlock the Mysteries of Faith and Science Have you wondered how the creation story in Genesis fits with the evolutionary theories of popular science? You're not alone. Many Christians wrestle with the seeming disparity between faith and science. They want to believe the inerrancy of Scripture, but it's difficult to reconcile the two. Unlocking the Mysteries of Genesis seeks to

resolve this conflict by answering key questions about the origin of human life, the evidence left by the fossil record, and how the findings of science line up with the Bible. Using the most current research and data, this visually stunning book takes readers on a journey that explores the wonders of God's creation through the lens of faith-based science that clearly points to the authenticity and accuracy of the biblical creation account. The compelling evidence you'll find as you study both Genesis and science will challenge your intellect and reinforce your faith.

Genesis - The Navigators 2018-02-06
The first book of God's revelation to man is a book of beginnings. God creates the heavens, the earth, man and woman. But rebellion breaks out, and God begins the task of mending His relationship with mankind. This Bible study on the events that unfold in the extraordinary book of Genesis shows how this book gives form to the entire Bible, right to the end of Revelation and God's plan for a new beginning. • Personal study between meetings • 19 sessions • Includes study aids and discussion questions

She Reads Truth - Raechel Myers 2016-10-04
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes

telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

God of Creation - Bible Study Book Wilkin 2018

Home and Church Bible Study Commentaries from the Book of Genesis - Larry D. Alexander 2019-01-26

The purpose of biblical theology is to make known, GOD's sovereignty over all things. The specified purpose of the book of Genesis is to take us back beyond the pages of recorded history, and reveal to us, the very origins of the

universe, and the human race itself. The thrust of the message of this book is to help us to understand, who we are, where we came from, and how that search for those answers must begin and end with GOD.

The Promised One (A 10-week Bible Study) - Nancy Guthrie 2011-07-07

This first volume in the Seeing Jesus in the Old Testament Bible study series guides women through a Christ-centered study of Genesis. The Promised One provides a fresh look at the book of Genesis, leading women in discovering how its stories, symbols, people, and promises point to Christ. Over ten weeks of study, participants will see Christ as the agent of creation, the offspring who will crush the head of the serpent, the ark of salvation, the source of the righteousness credited to Abraham, the substitutionary sacrifice provided by God, the Savior to whom the whole world must come for life, and much more. Each weekly lesson includes questions for personal study, a contemporary teaching chapter that emphasizes how the passage fits into the bigger story of redemptive history, a brief section on how the passage uniquely points to what is yet to come at the consummation of Christ's kingdom, and a leader's guide for group discussion. A ten-session DVD companion set is also available.

Genesis for Normal People - Peter Enns 2012

Given the fever-pitched controversies about evolution, Adam and Eve, and scientific evidence for the Flood, the average person might feel intimidated by the book of Genesis. But behind the heady debates is a terrific story—one that anyone can understand, and one that has gripped people for ages. If you are not a Bible scholar but want to be able to read Genesis and understand its big picture, this brief, witty book is the guide you've been waiting for. Clear summaries and thought-provoking questions provide direction for personal reflection and group discussion. Peter Enns, a Biblical Studies professor, and Jared Byas, an Old Testament professor, summarize the book's key themes and help us see Genesis as an ancient story, one with continued relevance for human experience today. Genesis for Normal People illuminates the characters that fill the book of Genesis, causing us to resonate with their choices and struggles even as we marvel at their distant world. And

that's what you'll find here—not scientific proof texts or simple moral tales, but a distant world made available, and a story that is often strange, sometimes dangerous, and always filled with rich possibilities.

God's Big Picture - Vaughan Roberts 2012-06-11

Sixty-six books written by forty people over nearly 2,000 years, in two languages and several different genres. The Bible is clearly no ordinary book. How can you begin to read and understand it as a whole? This excellent overview gives you the big picture, providing both the encouragement and the tools you need to read the Bible with confidence and understanding.

Commentary on the Book of Genesis: Bible Study Notes and Comments - David Pratte 2018-12-20

Bible study notes and commentary on the Old Testament book of Genesis. Emphasizes understanding the text with practical applications. Intended to be helpful to all Christians, including teachers and preachers, while avoiding an emphasis on technical issues. Written from the perspective of faith in the Bible as the absolute, inerrant, verbally inspired word of God. Comments include discussion of these topics: * Are Bible accounts of creation and the flood literal history? * Can organic or theistic evolution be harmonized with Scripture? * Are the days of Genesis 1 literal or symbols of long ages? * Were Adam and Eve the first man and woman? * How did sin and death enter the world? * Was Noah's flood worldwide or local? * What promises did God make to Abraham, Isaac, and Jacob about the nation of Israel? * How did Joseph interpret Pharaoh's dreams and save his family in Egypt?

Evolution, the Fossils Say No! - Duane T. Gish 1978

[The Book of Genesis Study Guide](#) - Brian Gugas 2016-09-04

The book of Genesis is a book of beginnings—the beginning of the universe, the beginning of sin, the beginning of the need for God's mercy and forgiveness, the beginning of different people groups, the beginning of God's chosen people, and the beginning of the revelation of the God's unfolding plan for mankind. As the name

James - Greg Gilbert 2013-04-30

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study,

pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

The Bible Home Instructor - Andrew N. Dugger 2018-03-23

"The Bible Home Instructor" is a classic Bible study guide, originally published in 1920. It is a compilation of Bible testimony on a multitude of Christian subjects. Each of the many biblical topics encapsulates one or more doctrinal truths, as understood and explained by the original author, Andrew N. Dugger. In 1995, I assisted ministerial author, Richard C. Nickels, in creating an updated edition of this popular Bible study guide. For all of us who participated in this project, it was a work of love. That printed version is still being sold, and oftentimes at exorbitant prices. Therefore, I have decided to publish this updated edition and sell it for the cost of printing. I also offer a free, text-only PDF through my online bookstore at <http://www.lulu.com/spotlight/KerryBarger>. The PDF can be copied and shared freely among any number of people. This book can shed the precious light of God's truth into your life and the lives of all who take its teachings to heart.

Student Study Guide, Old Testament Bible Survey Course - Bob O. Johnson 2010-05
STUDENT STUDY GUIDE begins with the student answering ten basic questions concerning the Old Testament. What is the Old Testament? Who wrote the Old Testament? Where, When, Why and How was the Old Testament written? What are three major features of the Old Testament: Revelation, Inspiration and Preservation? How should we study the Old Testament? Why should you

memorize verses of the Old Testament? When should one read the Old Testament? BIBLE MEMORY VERSES (97 memorized accumulatively) aid the student to say with the Psalmist "Thy word have I hidden in mine heart, that I might not sin against thee." This STUDENT STUDY GUIDE closes with an incomplete outline for each of the 39 books of the Old Testament. Each outline has space for personal notes, classroom instruction plus THE BASICS: Author, Date of Writing, Name Meaning, Passages for Particular Emphasis, Verses for Memory, Characters of Interest and Content Description. Following high school, a Bachelor of Science degree was received from Piedmont College, Demorest, GA plus a Georgia Teacher's Professional Certificate. Then came the Army Security Agency and three years later came employment with the National Security Agency, Washington, DC. Meeting Edith Campen from North Carolina led to marriage, February 1, 1957. A year after marriage, God called me to the ministry. Graduating from Southwestern Baptist Theological Seminary, Ft. Worth, TX with a Bachelor of Divinity (updated to Masters of Divinity) and Masters in Religious Education (updated to Masters of Arts), God directed me to serve Him. For some 50 years, it was a pleasure to serve God and people in churches and classrooms as Minister of Youth, Minister of Education, Minister of Education/Administration, and Minister of Pastoral Care. It was a joy to teach this Old Testament Bible Survey Course to ninth grade students at Cypress Community Christian School, Houston, TX.`

The Jeremiah Study Bible, NIV - Dr. David Jeremiah 2018-09-04

The clarity, accuracy, and literary grace of the NIV text alongside the teaching of Dr. David Jeremiah creates an interrelationship that is so essential to understanding the complete biblical message and what it says, what it means, and what it means to you. The result is a Bible that can be read and used by all Christians who want to grow in their faith by going deeper into God's Word.

Genesis - Charles E. Hummel 1985

These 26 lessons from the Book of Genesis are part of LifeGuide, a popular line of Bible study guides which provide solid biblical content and raise thought-provoking issues in an easy-to-lead

format.

Biblical Studies on the Internet - Roland H. Worth, Jr. 2008-09-18

The new edition includes more than 4,800 resources available at more than 10,000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages, audio translations of the Bible in English and other languages, commentaries, dictionaries, and other resource materials including ones in Greek, Hebrew and other ancient languages. The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself. In cases when ten or more resources are listed on a single web page, the author has assigned the web page a three-digit code. The code is used to identify this web page as a major resource within the main text, while any needed instructions for use of the site are cross-referenced separately in the final chapter. In adopting this concise method, the author was able to add hundreds of additional or updated web resources, a surprising number of which can be downloaded onto a hard drive for immediate and continued use.

Mysteries of the Messiah - Rabbi Jason Sobel 2021-03-23

Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration "but there's more!" he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah: Uncovers connections between the Old and New Testaments* Connects the dots for readers with details about Jesus, the Torah, and

biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, Mysteries of the Messiah will bring fresh perspective and insight. God's Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.

Genesis Study: A Beginners Study Guide Into the Book of Genesis - Crystal Sparks
2020-02-04

I am so excited to share this project that I have been working on! This study walks through the book of Genesis, chapter by chapter. It is for anyone that has ever wanted to read the Bible and truly understand it better. The Genesis Study is for everyone that has started to read through the Bible and felt overwhelmed. From Genesis to Revelation the Bible tells us the story of redemption. It reminds us of who we are and teaches us of the God who has pursued us from the beginning of time. Despite all the times we have failed-He has remained Faithful. In the first pages of Genesis we see the promise of the Redeemer that would come and make everything right. His name is Jesus, and He changes everything. The Bible is the story of our redemption. This is a story unlike any other. This is the story of Jesus. This is the story of God and the love He has for His people.
