Compact First for Schools Student's Book without Answers with CD-ROM - Barbara Thomas 2014-09-11

A focused, 50-60 hour course for the revised Cambridge English: First (FCE) for Schools exam from 2015. Compact First for Schools Student's Book features eight topic-based units to maximise the exam performance of school-age learners. Units are organised by exam paper with pages on Reading and Use of English, Writing, Listening and Speaking. A Grammar reference covers key areas in the syllabus, and unit-based wordlists include target vocabulary with definitions. There is also a revision section and two full practice tests are available online for teachers to access. The CD-ROM provides interactive grammar, vocabulary and exam skills tasks including listening. Audio recordings for the Student's Book listening exercises are available separately on a Class Audio CD.

Essentials for Successful English Language Teaching - Thomas S. C. Farrell 2010-05-06

How do we teach English Language Learners (ELLs) and how do our ELLs learn? This book answers those questions. "Essentials For Successful English Language Teaching" is about how we teach English Language Learners (ELLs) and how our ELLs learn. Farrell and Jacobs encourage those involved in teaching English to develop, maintain and rediscover the reasons that led them to take up the profession. They focus on the essentials in teaching the English language that teachers can implement in their instruction so that their students can excel in their learning: encourage learner autonomy; emphasize the social nature of learning; develop curricular integration, focus on meaning; celebrate diversity; expand thinking skills; utilize alternative assessment, and, promote English language teachers as co-learners along with their students. These essentials are best implemented as a whole, rather than one at a time and so they are interwoven with each other to encourage a holistic teaching approach. Highly accessible, each chapter comes with case studies and a range of activities to encourage the reader to put each of the essentials into practice. This reflective and engaging book will be invaluable to postgraduate students of TESOL and applied linguistics, and in-service language teachers.

Essential English Skills for the Australian Curriculum Year 9 2nd Edition - Anne-Marie Brownhill 2016-06-24

The second edition of the popular Essential English Skills for the Australian Curriculum series has been updated for today's students. Providing support for differentiated learning and featuring flexible ICT tasks that encourage language and literacy development, the series is ideal for both classroom use and homework. The multilevel approach to key language and literacy skills caters to the different learning abilities in the classroom and assists teachers in matching tasks to the skill of their students. Three levels of carefully graded questions (Test yourself, Extend yourself and Challenge yourself) give every student an achievable starting point and the opportunity to enhance their skills. New text extracts and examples of classic and popular texts provide the very best support for today's students, while covering the requirements of the Australian Curriculum and the cross-curricular priorities. Fully integrated tech challenges and online tasks encourage students to explore the impact of technology on their own language and literacy development. Each workbook includes a dedicated introduction to ICT in the classroom - Using Digital Technology for English skills - suggesting applications that can be used with the workbook. Solutions are available for teachers in downloadable PDF format.
